PRESIDENTS REPORT

Hello every one,

Hi, Hope you all had a safe Easter. Lessons are going well. Thankyou to Jeremy and Rachel, I think everyone is having a good time. The Autumn Hop has come and gone, thanks to all who helped out in some way, to make the night happen. We would like to thank all the Rock n Rollers who supported our dance. It was also nice to see some of our new lessons people coming along. The Club A G M is coming up on the 22nd May at 7pm. If you want your club to carry on, please come along. We need some new committee members to help us to keep going.

Keep on Rocking *Robin Symons*

KAPIMANA JUNIORS 2007

What an awesome weekend. Kapimana must have been really proud of the way the weekend went. Everything was fantastic. Friday night was a meet and greet night. Nobody went hungry as BBQ sausages and bread were brought around for supper.

Saturday was an up and early start. The hall was decorated with balloons, records and an Easter Bunny, along with a fantastic mural depicting Wellington and the moving cable car, which was running all weekend. After the Saturday opening speeches, we were treated to a display from one of the local Wellington Karate Clubs. This was a great display to "kickoff" Junior Nationals weekend.

As usual the dancing competition was off to a great standard, and after a long day and medal presentations, we had an awesome supper. It was a finger food supper with plenty of choice for everyone. The Easter Bunny was seen handing out Easter Eggs at the door, and we never did get to find out who was in that costume.

Saturday was also an early start, with the introduction of Same Sex category. This was of very high standard and was very well received. The rest of the day was Triples, Club Top Teams and some great novelty events. After Presentations we again had a great supper.

We really appreciated the hospitality shown by the host club. Thankyou again KAPIMANA.

WHANGAMATA BEACH HOP

What a great weekend, the rain stayed away until after lunch on Sunday. We had plenty of time to view the cars and explore the market at the beach. Saturday night was a great night at Coastal Rockers Birthday Hop. The Chevrolets, whom we had met in Australia were playing, and they are a very professional band. We had a great night. Over at the RSA next door, Roger Skinner and The Motivation were playing and judging by the heat that was in that hall, everyone was also having a ball. Good to see our own Al Dawson and Gavin playing down town on Saturday. Congratulations to Jeff Alley & Stacey Cann on winning the dancing competition.
