CAMBRIDGE

This popular model is made with durable water-resistant Commander® fabric with a fleece lined back panel for extra warmth. The Cambridge Jacket features two side zip pockets, roll away hood, adjustable velcro cuffs and breathable mesh gussets.

The photo right is a sample. Each jacket will have the GDRA Logo on the left chest and the rower's name on the right chest.

*Screen Print on the Back

“Crew: Uniformity – on and off the water.”
