EXPERIENCE

MORTGAGE LOAN PROCESSOR - BARRETT FINANCIAL 03/2021 to 04/2022

I was responsible for registering new applicants. After registering the loans or refinances, I would gather all required information and documents to get the loan into closing. I am very on top of all current loans and make sure everything is running smooth for the Loan Officers. I also run several of the loan officer's social media pages.

DIRECTOR - BRIGHT IDEAS CHILDCARE 07/2016 to 03/2021

I was responsible for billing both weekly and monthly. I was also in charge of making bank deposits and keeping track of petty cash as well as paying the bills. I also input information and set up the accounts for new enrollments. I managed a team of 15-20 employees, and I was responsible for over 90 children in the center at any given time. I have great communication and relationships with the parents, guardians, state officials, and quality first coaches that we partner with! Other than my director duties, I ran the social media pages for the center and created their website via GoDaddy.

LEAD TEACHER - BRIGHT IDEAS CHILDCARE 03/2013 to 07/2016

I worked as a lead Teacher for the infants, ones, and two-year-old classrooms. I was responsible for making lesson plans and caring for the children. I was promoted to assistant director and moved over to our sister center in Phoenix!

HOST, SERVER, BARTENDER, MANAGER - LA CHIESA 01/2010 to 08/2012

I oversaw the whole front of the house and could go wherever we needed help that day. I worked my way up the ladder. I only left this job because I moved out to Arizona.
