The next section is VERY IMPORTANT: Please list the days and times of any known conflicts (i.e. music lessons, dance classes, sport practices, family vacations, etc.). It is extremely important that this section be filled out accurately. Take your time and be sure you have included all known activities. Also indicate whether or not each activity is flexible, meaning you can miss if needed. We will work with you as much as we can, but only if we know about the conflicts in advance.
