Message from the Director – Devan Ward:

First of all I would like to thank all of the actors and their families for trying out for RYTC's production of "Keeper of the Tales". We had a remarkable 52 actors come to audition, which is fabulous!! Unfortunately, there are not 52 roles. I wish I could cast everyone, but for this show that is impossible. I encourage all of you to try out for the next production at Christmas, (October 25<sup>th</sup> and 26<sup>th</sup>) which can accommodate a larger cast. Also, do not think for a minute that just because this play did not work out you should quit trying because sometimes conflicts in schedules, sex of the character, age of the character and other considerations make casting certain actors impossible! EVERYONE who auditioned can act and be on stage, so please do not stop auditioning!!
