

**Dear students**

**Welcome to the course  
Phonetics and Phonology  
2009**

**I hope you enjoy it  
during this semester.**

**Dr.K T KHADER**

# Course Objectives:

- Upon completing the course, students are expected to:
- Identify, speech organs; their locations and functions,
- Distinguish and produce all English sounds and their features correctly,
- Transcribe English sounds, using phonetics symbols,

# Course Objectives:

- Discriminate, contrast and produce sounds and clusters that cause problems for Arabic speakers in isolation and in context, and
- Recognize, identify and produce supra-segmental features of English speech, such as stress, rhythm, intonation, weak and strong forms etc.
