### ACTUAL POLICE COMMENTS

Taken from police car videos.

- 1-“If you run, you’ll only go to jail tired.”
- 2-“Can you run faster than 1200 feet per second? In case you didn’t know, that’s the speed of a 9mm bullet fired from my gun.”
- 3-“So you don’t know how fast you were going. I guess that means I can write anything I want to on this ticket.”
- 4-“Yes Sir, you can talk to the shift supervisor but it won’t help. By the way did I mention that I’m the shift supervisor?”
- 5-“Warning?? You want a warning? OK, I’m warning you not to do that again or I’ll give you another ticket.”
- 6-“The answer to this next question will determine whether you are drunk or not....Was Mickey Mouse a cat or a dog?”
- 7-“Just how big were those two beers?”
- 8-“You didn’t think we give tickets to pretty women? You’re right!! We don’t!! Sign here.”
- 9-“Yeah, we have a quota. Two more tickets and my wife gets a new toaster.”
- 10- “In God we trust, all others we run through the computer system.”

### MEANING, OR MERELY A MOUTHFUL?

As humans, we all know how easy it is to stray from God's will. Sometimes it seems we wander from the path no matter how hard we try. Perhaps that's why Jesus sent His apostles out into society to call people to repent, not just to believe. Jesus knew that we can only have peace of mind and soul when we are in harmony with God. In fact, the first step in any true believer's relationship with God is repenting. Giving up our will, our sinful ways and taking that long hard road to walk back to Him. Without that, belief is merely a mouthful of words without any valid meaning. Take a moment to consider your life today. Are you shouting your belief miles away from God – or kneeling in repentance at His feet?

### PARISH OFFICE SUMMER SCHEDULE

The Parish Office will be closed from July 24<sup>th</sup> to August 8<sup>th</sup>. If you have an emergency, please call the office and leave a message. Your call will be returned as soon as possible. Mass intentions for those weeks will be printed in the next bulletin.
