ANSWERS GIVEN BY GRADE 2 STUDENTS

What ingredients are mothers made of?

God makes mothers out of clouds and angel hair and everything nice in the world.....and one dab of mean.
God had to start from bones, then He mostly used string, I think.

Why did God give you your mother and not some other Mom?

Because we're related.
God knew she'd like me more than other kid's Mom like me.

What kind of little girl was your Mom?

My Mom has always been my Mom, not a little girl.
I don't know because I wasn't there, but my guess would be pretty bossy even then.
They say she used to be really nice.

What did your Mom need to know about your Dad before she married him?

His background....like, is he a crook? Does he get drunk?
Does he make at least \$800 a year. Does he say NO to drugs and YES to chores?

LEAVE THINGS THE WAY YOU FOUND THEM

Summer is the time for vacationing and many people will seek a refuge from the normal routine of their lives by spending time in the forests and wilderness of our great country. What better time to stand in awe of God's powerful work: Crystal clear mountain streams, trees, beautiful, breath taking sunsets. Such sights can only serve to further impress Christians with the true responsibility of stewardship. We MUST, at all times remember that we are stewards of this earth. So, this summer, if you come in contact with nature, be a good steward and leave things in the same wonderful state you found them.
