- **Your entries will AGAIN be selected via the Internet!** Just go to the above website and follow the links to the College Football section. You can select each week directly from my website. Pick sheets for each week will be available on the website from Wednesday at 9:00 a.m. until Saturday at 9:00 a.m. I will not accept picks after 10:00 a.m. Saturday CST.
- I would prefer that all picks be submitted via the internet. It will save me time and of course cut down on any chance of human error on my part.
- Mailed picks must be postmarked no later than the preceding Thursday. Please mail earlier if possible, this will allow me more time to correct and produce a result sheet over the weekend and have it available early Monday. I cannot be responsible for entries that are lost in the mail.
- Any person who doesn't submit a pick sheet for a given week will be given the average for the week minus one game.
- Weekly results will be posted to the website each week, (hopefully sometime after the mail is delivered on Mondays)
- Note: The last week spans two weeks so that we can pick more meaningful games, (most are in-state rivalry games.)
- Be sure to include your tiebreaker at the bottom of the pick sheet. Tiebreakers will not be allowed in forms of fractions, whole numbers only.
- In case of ties, either weekly or in the overall season standings, monies will be lumped together and divided equally between the two winners that tied.
- New entries will be allowed after the first week but you will be given the average for that week minus one game and no entries will be accepted after that.
- I will not limit the number of entries this year, so invite all your friends and even turn in two pick sheets.
- My picks this year can be found on the website under the name of, Aaron Aardvark Forever. If you can't find my picks, email me and I'll forward them to you.
- All season fees must be paid by week two or you will not be allowed to continue in the season overall competition.

Good luck to each of you this season, and remember the more the merrier. Invite all your friends, especially those who don't know anything about football. ☺
