

Sammy's Dirty Dozen March Madness Pool

The Contest:

This contest challenges your ability to pick Cinderella teams. From each region, you'll choose three teams.

Scoring:

Every time your team wins a game, you receive points equaling the team's seed multiplied by the round in which it won. For example, if you pick a 6th seed and they win in the first round, you get 6 points: for a second round win, you get an additional 12 points, and so on.

Cost:

The cost is \$5.00 per entry sheet. There will be no limit to the number of entries per person.

Payouts:

Payouts will be paid per 10 participants. Example: 50 entries = 5 payouts. Payouts will be tiered with the largest payouts being paid to the top entry and so on...

Please circle your 3 teams from each region below.
