

## The Lorien Pantheon

### Jabu

*The god of passionless perfection*

Jabu is a meditative god, who believes in enlightenment through logic and self-improvement. Emotion and passion are a hindrance to his path.

### Puta

*The goddess of thoughtless lust*

Puta is Jabu's wife and counterpart. She is the spirit of wild emotions, from rage and anger to love and hunger. She encourages mindless passion in her followers.

### Gora

*The volcano goddess*

Gora is the mother of the Morg race. She is a strong god, who believes that victory comes through dominance over the weak. She culls the strong and powerful among her children.

### Great Mother Tree

*The forest goddess*

The Great Mother Tree is a compassionate, loving being. She encourages playfulness and happiness among her followers, as well as love and respect for nature and balance.

### Nightmare

*The god of darkness and fear*

Nightmare is an independent god, whose cults are spread throughout the land. He controls his enemies and followers alike through fear, and he haunts the darkest of places.

### Necromolich

*The goddess of undeath and demons*

Necromolich is the ruler of the Realm of Death, a horrible underworld where those who worshipped no god go when they die. Her followers are rarely taken from the land of the living.

### Tarekom

*The god of beasts and rage*

This is no friendly god. He tears apart all that he desires with tooth and claw. He is a savage, bestial god who lets nothing stand in his way.

### Elemental Forces

*The spirits of the elements*

Not true gods, the elemental forces rule over their respective corners of the world in the deepest, most elemental intensive places. Many mages call upon them for aid in their spells, as they power most magic in the world.

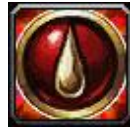

## The Gordoni Pantheon

### **Sky**

*The goddess of Wisdom*

Sky is the eldest sister in the Gordoni Pantheon, and uses wisdom and knowledge to overcome adversity. She encourages her followers to use their heads to get out of problems.

### **Blood**

*The god of Sorrow*

A little known fact is that the three sisters each have a twin brother. Blood is the eldest, and torments his opponents by destroying all that they love and hold dear, drawing strength from their loss.

### **Thunder**

*The goddess of Power*

The middle sister, Thunder is the goddess of strength and nobility. She crushes her opponents, and encourages her followers to do the same.

### **Steel**

*The god of Pain*

Steel is the middle god, and punishes his foes with torture and pain, and revels in the sight of tears. His followers typically brandish painful whips and spikes.

### **Storm**

*The goddess of Courage*

Storm is the youngest, and most cunning, of the three sisters. She believes that clever use of wisdom and power combined is the key.

### **Bone**

*The god of Death*

The youngest god takes the most simple and direct approach: Death. He encourages his followers to simply kill their opponents, and be done with it.
