Half way into the school year ...

[Grassypond Trip & Annie Bell Visit]

The first Grassypond trip was held October 14-16th in Georgia. This is one of the most fun trips you can take in ROTC. This is a trip where most of the first year cadets get to meet other cadets in the corps and make new friends. There are also fun-filled activities that take a lot of team work. These activities can't be mentioned because it can ruin the trip for the future cadets who haven't gone on this trip. But while over there, we tell scary stories, eat s'mores over the campfire, and just have fun. The groups also performed skits and cheers for fun. And big thanks go out to Colonel and the chaperones for providing the rides and food. While up in Georgia, the cadets also visited Annie Bell, a lady who have been supporting for quiet some years now. We helped fix her broken windows and gave her a supply of food to last her for some weeks. Overall, it was a really good trip.

In November, Colonel gave an essay assignment to each cadet as a grade. But not only was it for a grade, it was also a chance to win a trip to Valley Forge, Pennsylvania. The following cadets' essay followed the rubric and directions and was nominated by Colonel to go on the trip:

Males:

Kevin Conrad, John Ohlinger, Cliff Kibo, Phil Robbs, and Michael Horn.

Females:

Sheina Delena, Victoria Fort, Christine Walker, Deanna Novotasky, Shirley Murray, Moriah Moser, and Sarah Satterfield.

Congratulations to all of you and hope you enjoy the trip!

[Activities Day]

We had our first activities day this year on November 9th, 2006. It was full of fun and activities for all the cadets in each flight. The activities day started with a "pass and review" with our VIP from American Legion and our Cadet Colonel Vanessa Sheridan. There were racing and competitive games against flights. The games were Dizzy Lizzy, Sea-Bag Racing, Clacker Boards, Flight Jeopardy, and IDR. Lunch was provided by Col. Brown and the American Legion. The cadets enjoyed BBQ sandwiches, drinks, and chips. At the end of the day, we had a small ceremony in honor of Veterans Day. The winning flight overall of all the activities was C-Flight. Every cadet who participated will receive an Activities Ribbon (Right) and those who participated in C-Flight will also receive a Superior Performance Ribbon (Left).

[Model Airplane Winners]

[Family Drive]

Every year during the months of November and December, the corps always has a Thanksgiving and Christmas Drive. This year, we volunteered to support 5 families for Thanksgiving and 6 families for Christmas. Cadets bring in varieties of food cans, toys, and clothing. Along with the families, we also support Annie Bell, a lady who we have supported for the past years in Georgia. About over 4,000 items were brought in for both of the drives. Good job everyone!
