

Using Microsoft Windows?
You must be tired of repeating restarts and continuous crashes!
And Virus?
Feeling uneasy using pirate programs?

Want To Be Free? Free to learn: Free to use? Even free to
know what cyber-freedom really is?

Come With Us in GLT, GNU-Linux-Thek

Know GNU-Linux (popularly known as Linux)
Get GNU-Linux on your PC

Free to Get: Microsoft is *Business* and GNU-Linux is *Community*
Free to know: how the programs do *actually* work — a thing that MS-
Windows will never allow you to know
Stable and Robust: *Hangs* and *Restart-s* are unknown in GNU-Linux
Virus-proof: No virus can infect GNU-Linux system — it is built like that
