

Why the present day Sikhs are lacking behind?

Many Sikhs are lacking behind because they do not follow GURU GRANTH SAHIB

- * Many people have too much **EGO**
- * Many people follow **CASTE** system
- * Many ladies go for **FAST**
- * Many people **DRINK alcohol** and take **DRUGS**
- * People give money to the beggars but not to the **NEEDY SIKHS**
- * Many people believe in **SHOW** business
- * People **WASTE** money on **MARRIAGES** and **PARTIES**
- * We just do **RITUALS** regarding religion and do not try to **UNDERSTAND** and **APPLY GURBANI** it in our own life
- * We treat Guru Granth Sahib as a ritual Guru and not really as **JAGHAT JYOT**
- * **We are more followers of DERAS** and **less of GURU GRANTH SAHIB**
- * Very rarely **TRUE GURBANI** is being recited in most of the programs
- * We think ourselves great by **modifying and changing Gurbani**. Guru Har Rai Sahib did not forgive his son. **How the Guru will forgive us?**
- * We rarely select **good quality leaders in Gurdwaras or Politics**
- * We appoint **low quality and uneducated Granthi's**
- * Some people feel proud by talking in languages other than Punjabi. **They do not teach Gurmukhi to their children**
- * We rarely study and analyse **SIKH HISTORY**

If we ourselves go away from the GURU then how he can save us?

The best way to be happy and prosperous in life is to follow GURU GRANTH SAHIB
