## Gurbani Iss Jag Meh Chanan

*Waheguru Ji Ka Khalsa Waheguru Ji Ke Fateh*

With **eyes** one can **see** to a limited **distance**.  
 With **ears** one can **listen** to limited **persons**.  
 With a **telephone** you can **talk** for a limited **time**.  
 With a **microscope** you can **see** a limited **area**.  
 With a **telescope** you can **see** a limited **angle**.

But with **GURBANI in your heart** you can **see, listen and talk** to unlimited **distances**, with unlimited **persons** for unlimited **time**, in unlimited **fields of life**.

Let us come closer to each other with the help of **Guru Granth Sahib**.
