LET'S GO GREEN**Get Rid of Plastic Bags**

Over 500 billion plastic bags are used worldwide every year. Made from polyethylene, plastic bags are not biodegradable and are making their way into our oceans and waterways. Invest in stronger, re-usable bags, and avoid plastic bags whenever possible. Alternatives sources have begun to provide biodegradable bags made from corn.

THE MAN WHO THINKS HE CAN!

If you think you are beaten, you are;  
If you think you dare not, you don't!  
If you'd like to win, but think you can't,  
It's almost a cinch that you won't.

If you think you'll lose, you're lost  
For out in the world we find  
Success begins with a fellow's will;  
It's all in the state of mind!

If you think you're outclassed, you are;  
You've got to think high to rise.  
You've got to be sure of yourself  
before you can win the prize.

Life's battles don't always go  
To the strongest or fastest man;  
But sooner or later the man who wins  
Is the man who thinks he can!
