2007/2008 SEASON

Welcome to the **SASK OPEN**. On behalf of the Executive we wish you all...good playing, camaraderie & above all...**HAVE FUN!** Liz Patrick

SPECIAL NOTES

SASK OPEN THANKS

HUGE THANKS to "Marvelous" Marlowe's fundraising for Sask Open...thru his fun tournaments & raffles he raised an extra \$1000.00.

BIG THANKS to Rod Betker for making the Jell-O Sliders "hic" for the Sask Open...ENJOY!!

ROUND OF APPLAUSE for the Eagles Club for everything you have provided. And **CHEERS** to the Bar & Kitchen staff.

KUDOS to **EVERYONE** who helped in organizing, moving boards, getting door prizes, and all the behind the scene details, couldn't do it without your help.

FUN STUFF

Did you know...?

On November 27, 1964, twenty-two dedicated shuffleboard players from across Canada elected an official executive body that confirmed the status of the Canadian Shuffleboard Congress and the Constitution, Rules and Regulations.

FUN TOURNAMENTS

Watch for emails & posters thru-out Summer!

Something to Think About??

Why is "bra" singular and "panties" plural?

QUOTABLE QUOTES

The Man Who Thinks He Can!

If you think you are beaten, you are;
 If you think you dare not, you don't!
 If you'd like to win, but think you can't,
 It's almost a cinch that you won't.

If you think you'll lose, you're lost
 For out in the world we find
 Success begins with a fellow's will;
 It's all in the state of mind!

If you think you're outclassed, you are;
 You've got to think high to rise.
 You've got to be sure of yourself
 before you can win the prize.

Life's battles don't always go
 To the strongest or fastest man;
 But sooner or later the man who wins
 Is the man who thinks he can!

LET'S GO GREEN

A GLASS ACT

Recycling glass is something many of us are already doing thanks to the blue box programs. How does it help? Glass takes more than one million years to decompose; North Americans generate almost 13 million tons of glass waste yearly. Glass produced from recycled glass reduces related air pollution by 20 percent and related water pollution by 50 percent.
