QUOTES

"I feel sorry for people who don't drink. When they wake up in the morning, that's as good as they're going to feel all day" ~Frank Sinatra

WARNING: The consumption of alcohol may create the illusion that you are tougher, smarter, faster and better looking than most people.

LET'S GO GREEN

Don't Be a Butt Tosser!!

About 4.5 trillion cigarette butts are littered worldwide each year-making them the most-littered item. The myth that cigarette filters are biodegradable is just that, a myth. Although the filters do eventually decompose, they release harmful chemicals that enter the earth's land and water during the decaying process. There is nothing earth-friendly about the breakdown.
