

Saskatchewan Shuffleboard Association Regina & District Shuffleboard League Inc. Table Talk

Editor: Liz Patrick
2008/09 Season, June 2009 Issue

2008/2009 SEASON

A great time was had by all at the Regina & District Shuffleboard League Year End Banquet & Awards Night. BBQ'd Chicken or Steak done to perfection by Dan & Marlene Allen & the rest of dinner provided by the Eagles Club. Fun games were held after; with 7 participants in Fun Horsecollar winning prizes!!

SPECIAL NOTES

We wish Irene Evans a **SPEEDY RECOVERY** after her operation to fix her arm.

A message from Irene Evans...I would like to thank the Sask Shuffleboard Association for the most beautiful bouquet of flowers. Your thoughtfulness is very much appreciated. There is no doubt it was a pleasant surprise and it definitely lifted my spirits. Please pass on my thanks to all involved. Liz, you deserve a special thank you for your visit. In spite of all you have been through, your compassion and friendship is treasured. Thank you for the treats, the card and especially the visit. Love Irene

Our **BEST WISHES** for a speedy recovery to "Downtown" Brenda Brown in Ontario, who had knee surgery on June 9th.

And to Diana Madsen...get healthy girl!!

Liz crashed the SASA Banquet in Calgary, June 13, was good to see her "old" team mates!!

FUNDRAISING

Do you have any nifty Fundraising Ideas?

INTERESTING STUFF

Did you know...?

- June 1st, 1967, the Beatles released Sgt. Peppers Lonely Hearts Club Band!
- June 9th, 1973, Secretariat wins triple crown!
- June 12, 1839 the baseball was invented!

In the heyday of sailing ships, all war ships and many freighters carried iron cannons. Those cannons fired round iron cannon balls. It was necessary to keep a good supply near the cannon. However, how to prevent them from rolling about the deck? The best storage method devised was a square-based pyramid with one ball on top, resting on four resting on nine, which rested on sixteen. Thus, a supply of 30 cannon balls could be stacked in a small area right next to the cannon. There was only one problem...how to prevent the bottom layer from sliding or rolling from under the others. The solution was a metal plate called a 'Monkey' with 16 round indentations. However, if this plate were made of iron, the iron balls would quickly rust to it. The solution to the rusting problem was to make 'Brass Monkeys.' Few landlubbers realize that brass contracts much more and much faster than iron when chilled. Consequently, when the temperature dropped too far, the brass indentations would shrink so much that the iron cannonballs would come right off the monkey. Thus, it was quite literally, 'Cold enough to freeze the balls off a brass monkey.' (All this time, you thought that was an improper expression, didn't you.)

FUN TOURNAMENTS

Marlowe will phone or Liz will send email!!

The most contagious spirit... "Enthusiasm"

LET'S GO GREEN**Lemon Juice**

Lemon juice is a great grease-cutter. When washing your dishes, add it to your water along with a pure soap. Lemon juice is also great for cutting through grease on porcelain and aluminum.

**Lemon Juice Recipe:**

All-Purpose Cleanser: Combine 1/2 cup of pure soap, such as Castile, with one gallon of hot water and 1/4 cup of lemon juice.

Have A Great Summer!!!

Don't forget Fathers Day Sunday, June 21st
