

MALEUS SUPERIOUS **BAITZY**;

THE ONLY MAN WITH A SUBSPECIES NAMED AFTER HIM... THAT WE CAN THINK OF.

Who, or what, is the love of your life?

My friends.

What is your most valuable asset?

Acceptance of others.

What is your worst liability?

Unacceptance of self.

What is your biggest regret?

Not taking risks and missing opportunities.

What is your life goal?

To just be remembered.

What was the best day of your life?

Either the Whistler party or the April party.

When/where were you most happiest?

During grade twelve and the summer after.

When/where were you most miserable?

At the beginning of grade eleven, when some told me that no one liked me.

What is your crowning achievement?

That the parties I throw are so memorable.

Who is your hero?

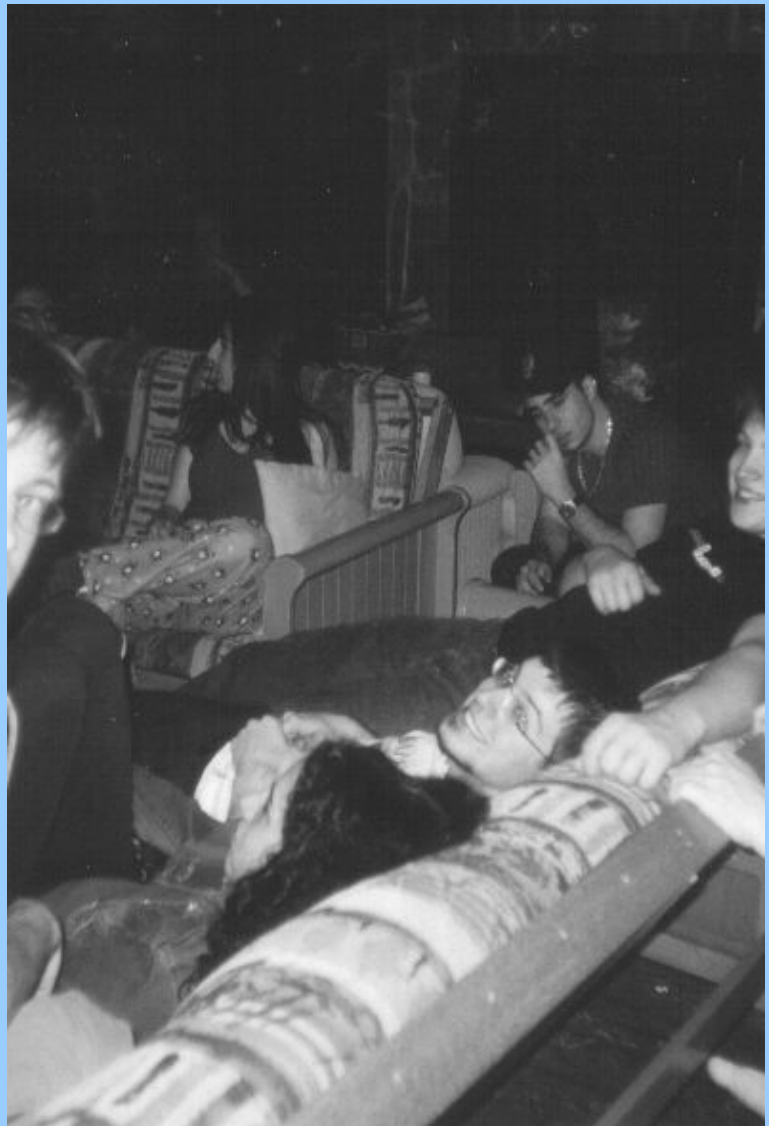

I like certain people for certain qualities, but I don't have one person that I idolize. That's about as good an answer as I can give you.

What historical figure do you most identify with?

Shakespeare; we have the same birthday.

Which one person, dead or alive, would you most like to have coffee with?

My Papa (grandfather), who passed away in grade twelve.

In the middle of the extravaganza he created, now known infamously as the "Whistler Party"

(interview conducted July 2, 2003)
