3. Jet Li ('He could teach me karate.')

the three people he DOES know that he would drag along:

2. Jason (other twin tower)
3. Ashleigh

the three books he would be stuck reading while waiting to be rescued:

1. Harry Potter series
2. Bible
3. Worst Case Scenario (How to Survive on a Desert Island)

the three foods he could handle eating for all eternity:

1. Sushi
2. McChicken Sauce
3. Steak

three movies ian would bring:

1. Super Troopers ('for laughs factor')
2. Ocean's Eleven ('for coolness factor')
3. The Skulls ('for rowing factor', Ian's a big rower, you see, but is it not for Joshua Jackson? 'Just a little,' says Ian.)
