

# THE SEX DEGREES OF IAN BEATTY

Ever heard that saying, "You're not only sleeping with that person, you're sleeping with EVERYONE that person has ever slept with"? Funny enough, it's true. Even funnier is this:

**Almost everyone I know can link themselves, sexually, to Ian Beatty.**

Trust me on this. I'm sure of the famous Six Degrees of not saying it's only six degrees you and Ian, we're too humble but it really is uncanny

We came upon this whilst discussing STDs... don't fun when you try to link people you know. Ian is somewhere. Without him, pseudo-lay each other.

For example, I can link only three degrees, M-Do in Caitlyn in a mere two.

Where there's an Ian, there's a will, which means there is definitely a way.

you're all well aware of Kevin Bacon, and we're of separation between for the likes of that, nevertheless.

epiphany one night ask why. It really gets yourself to other always in there none of us would ever

myself to Frampy in about seven, and
