

The logo features the words "Living Stream" in a blue, cursive script. A black pressure washer wand is positioned horizontally across the middle of the word "Living". A single blue water droplet is shown falling from the nozzle of the wand. The word "Stream" is written in a larger, more prominent blue cursive font. At the bottom of the "S" in "Stream", there are several small white bubbles. Below the cursive text, the words "PRESSURE WASHING" are written in a black, all-caps, serif font.
