

Introducing...

THE MEDIA GUY!

HEY! My name is Stephen Broome, and I am a new freelance designer looking to help visually represent the people in my community. I studied at South Piedmont Community College graduating with an A.A.S. in Advertising & Graphic Design. If you're interested in using me for a project, please get in touch by using the tear-off sheet at the bottom of this flyer. I look forward to working with you!

WHAT I CAN DO FOR YOU

GRAPHIC DESIGN

Graphic design is not only my specialty, but its my passion. I love to voice my beliefs through making visual images. I can produce entire branding packages, logos, album covers as well as do photo restoration.
