CHAPTER AWARD PROGRAM

The second purpose of The Delta Kappa Gamma Society International is to honor women who have given or who evidence a potential for distinctive service in any field of education. One of the goals of the Personal Growth and Services Committee is to encourage chapters to recognize those members who have been chapter, professional and community leaders. We hope that your chapter participates in the awards program by selecting recipients in one, two, three, or all four of the categories.

Chapters select recipients in one, two, three, or all four of the categories

Recognitions

Chapter Level: Each chapter Personal Growth and Services Committee will plan how to honor any recipients of the above awards at one of their chapter meetings. You may want to give them a certificate, make a donation to a charity in their honor, and/or give them a gift.

State Level: Alpha Eta State Personal Growth and Service Committee would also like to recognize these women your chapter has chosen. She will receive a certificate and her name will be printed in a booklet that will be given out at the Alpha Eta State Convention. We need your help in getting the names to the state committee. Please complete the attach form and mail it to your district representative by **November 1, 2006**. We would like for all Chapter Award recipients to be recognized at our convention.
