

My name is Edy. I live in Bucharest, the capital city of Romania. Bucharest is famous for its Palace of the Parliament (the second large building in the world after the Pentagon) and the football team Steaua.

I live in a flat. It's on the First floor of a block of flats. I live with my mother, my father and my brother, Tiby. My mother is a chemistry teacher and my father is a history teacher.

On Sundays, I usually get up late and spend my free time on the Internet. In the afternoons, I go to a park, to a football match with my father and my brother. or to a mall. In winter I play with snowballs and sometimes, I make snowmen.
