## Wanatah Vintage Auto Club

**I**nstead of putting that old car of yours away for the winter, consider leaving the battery in and running it as the weather permits. Your autos really were not designed to sit for long periods of time! When there is no snow, start them and drive them.

It is almost time for our annual Swap Meet and Car Show. At the September 19th meeting, we will ask you to sign up for a work detail. The Swap Meet and Car Show represents the club's main source of income for the year. It can be a success only if we all work together. I hope to see everyone on the 20th at 6 p.m.!

Your President - Joe

### Drive-out

September means, among other things, ripe apples here in our neck of the woods. We will have our annual Apple-Happy Outing on September 13th. Members should meet at Joan Martin Elementary School in Hobart at 11 a.m. Joan Martin is on 10th Street, just west of Main Street. At 11:20 a.m., the club will caravan to County Line Orchard on County Line Road, just opportunity to pick delicious ripe apples, but we will also roast hot dogs and serve hot cider. Club members Robert and Nancy Andrews sponsor this event. As those of you who have participated in

this event in the past know, we always manage to have a very nice time. Remember 11 a.m. on September 13th.

### Congratulations

We have five couples in the club who celebrate wedding anniversaries in September. Chuck and Virginia Marsh are celebrating their 50th anniversary on September 10th. How can anyone live with someone like Chuck that long?

Chuck and Mary Winer celebrate their 42nd anniversary on September 14th. Chuck is just getting over some major surgery and I know that he appreciates all the cards and letters that he has received from many of you over the last two weeks.

Robert and Nancy Andrews (our apple orchard people) will celebrate their 35th anniversary on September 17th. They recently returned from a cruise to the polar regions of Alaska. Bob said that it was an expensive way to beat the summer heat.

Eldon and Wanda Jackson will celebrate their 10th wedding anniversary on September 23rd. William and Connie Lee also will celebrate five years together on September 23rd also. We wish heartiest congratulations to all our couples with wedding anniversaries.

#### Featured Auto:

This month's featured auto is the 1960 Jaguar XK150 Roadster owned by Roy Martha Foreman of Ainsworth. This picture was taken at a recent drive-out. The car has 31,000 original miles and still has the dealer installed chrome wire wheels. Roy and Martha are very proud of this fine automobile
