ACT ONE

FADE IN:

1. EXT. WOODS - DAY

A group of TEENAGED campers with backpacks walk together.

ALEX

Come on keep up!

PAM

Jesus! My legs feel like their  
going to fall off

TIM

Yeah man why the hurry? The  
trees aren't going anywhere

PAM

I gotta take a break

Pam stops. She takes off her pack and sits on it on the  
ground.

Tim stops and WHISTLES to Alex and Tina. They look back at  
him.

TIM

Hang on a minute. We need a  
break

Alex and Tina stop and turn back towards Tim and Pam.

ALEX

Come on we don't have much  
further to go

TIM

Dude, you've said that like a  
million times

PAM

Yeah, come on we've been  
searching forever. Would you  
just pick a spot!

TINA

Oh come you winers. I've been walking just as long and I'm not complaining am I?

PAM

No but we're just heading nowhere. It's just tree after tree of nothing

AL

You two don't understand. You need plenty of room to setup a camp

TIM

You were that boy scout that everybody hated weren't you?

Pam grins. Alex blushes.

AL

Hey, the scouts molded me into the person I am today

Tim raises his hand to his forehead and jokingly salutes Al.

TIM

Dorks honor it did!

AL

Funny. At least I have an achievement

TIM

What the fuck does that mean?

AL

You heard me. All you do is play video games can't you do anything else?

PAM

Yeah, he can give me orgasams

TINA

You know. We have walked far enough, let's just set up at the next spot

ALEX  
Fine whatever! Let's just go

Everyone gets up and they continue to walk.

ALEX  
But if something bad happens  
don't blame me

Pam and Tim put their packs on and begin to follow.

**2. EXT. WOODS - DAY - MINUTES LATER**

The group come to a new clearing.

ALEX  
Alright what about here for a  
spot? Everyone okay with it?

TINA  
Looks good to me

PAM  
Yes, anything!

TIM  
Thank god! It's about dam time  
nature-boy here found a place

Everyone picks a spot and drops their bags down for seats.

ALEX  
OK then, me and Tina will set  
up over here  
(pointing forward)  
We'll put the campfire there  
and you two can setup anywhere  
that side. Just remember to  
stay at least two metres away

Tina leans on Alex's shoulder.

TINA  
Sounds good to me. How long to  
set up the tent?

ALEX  
Two minutes if you let me get  
on with it

Pam and Tim unpack their tent. Tim stands gazing at it.  
Alex starts putting his tent together.

ALEX

Tim we need some logs

PAM

What for?

ALEX

For something to burn. I've  
got firelighters but we'll  
need more than that

TIM

Alright I'll look for  
something as soon as I've got  
this this up

Tim picks up a peg and stirs at it then looks back at the  
tent.

Pam sits on her pack and takes off her shoes. She begins  
polishing her toe-nails.

TIM

What are you doing?

PAM

Polishing my nails

TIM

Why? We're in the woods, and I  
don't have a foot fetish

PAM

I like them to look pretty and  
it's fun to do. Besides, it's  
what we girls do

Tim sighs.

ALEX

You two might wanna hurry it  
up, it's gonna get dark soon

PAM

Who made you the boss?

ALEX

No one, but if it starts to rain you're gonna get wet. Wouldn't it be better to put up the tent and get it out of the way and then do your nails?

TIM

I can't figure this thing out man it's like a rubix cube

Tim rises to his feet.

PAM

What are you doing?

TIM

I have to take a piss

PAM

What, in the woods?

TIM

Well where else do you expect me to go?

PAM

I hope it's only a piss

TIM

Well I'm not a bear

Tim walks off into the woods.

PAM

Fine just don't take forever. We have work to do

TIM

Yeah, we do. Why don't you get started on it while I'm gone?

PAM

(to her self)

Yeah like that's gonna happen

Pam stops polishing her toes nails and starts on her fingers.

**3. EXT. WOODS - DAY - NEAR THE CAMP**

Tim walks through the woods. He walks until he finds a tree far enough away from the group. He finds a tree he likes, unzips and begins to pee.

TIM  
(smiling to himself)  
Oh no it's raining, we're fucked

Suddenly we HEAR a twig SNAP.  
Tim quickly snaps around to see if anyone is behind him.

TIM  
Hey! Don't sneak up on a guy  
when he's takin' a piss. You  
could get sprayed on

No response. Tim carefully looks around the scene.

TIM  
Pam if you wanna see my dick  
you only have to ask. You  
don't have to sneak up on me  
to get a glimse

Still no response.

TIM  
Tell you what I'm done now!  
You wanna come shake it for  
me?

Tim sees nothing as he shrugs his shoulders.

TIM  
(mumbling to himself)  
I need to lay off the weed

PROWLER POV: We slowly sneak up behind Tim.

Tim zips his jeans back up and turns straight into... A BIG HAIRY GUY WITH A RAISED MACHETTE!

TIM  
Whow!

Suddenly the Prowler STABS tim in his chest with his Machete. He falls back against the tree hold ing his chest as he bleeds.

**4. EXT. CAMP - DAY - MINUTES LATER**

Alex and Tina are almost finished with their tent.  
Pam puts her nail polish away.

PAM

What's taking that moron so long? I bet he's having a crap the dirty bastard

TINA

He's probably just trying to skip out on his camp duties. Just go look for him and tell him you've sorted the tent?

Pam rolls her eyes, stands up, and heads into the woods.

PAM

Tim!

(beat)

Tim!

(beat)

You better not be playing games

ALEX

All done, what do you think? Should we test it out? Make sure it can stand the pressure?

TINA

In the woods?

ALEX

Yeah, why not? What else are we gonna do in the woods?

Alex kisses Tina.

TINA

What about them? They'll catch us!

ALEX

Catch us? We're not 14 y'know  
and they're not your mum and  
dad

TINA

Come on then

Tina grabs Alex's hand and heads in the tent.

**5. EXT. WOODS - DAY - NEAR CAMP**

Pam walks through the woods in search of Tim. She calls out.

PAM

Come on out Tim. I know you're  
just trying to get me to do  
all the work and it's not  
gonna happen. I've never even  
been in a tent before let  
alone up one up  
(beat)

Tim

No response. Pam keeps searching.

PAM

Tim, if you don't come out  
right now, you're not gonna  
get laid all weekend  
(beat)

I mean it!

(beat)

(to self)

Yeah I wouldn't beleive me either

No response.

PAM

Fuck it. Screw you then I'll  
be back at camp!

Pam turns to head back and spots something a little deeper  
in the woods.

Pam approaches Tim leaning on his knees against a tree. His  
back is to us.

PAM

Tim, come on we need to get  
the tent up or it'll rain.  
We're playing with fate here  
(beat)  
Tim are you fucking a tree?

No response, Tim doesn't budge.

PAM

Hey

Pam puts her hand on his shoulder and pulls him back. His  
body falls back on to the ground and we see his bloody  
chest.

PAM

(screaming)  
Oh, my god

Pam backs away from the corpse and turns to run.  
She turns STRAIGHT INTO the Killer's machete.  
Pam bleeds from her mouth and falls to the floor.

## **6. INT. TENT - DAY - MINUTES LATER**

We see Tina as she rides on top of Alex as they have sex.  
Suddenly we HEAR a SNAP outside the tent. It spooks Tina.

TINA

What was that?

ALEX

What?

TINA

Outside the tent

Tina gets off of Alex and covers herself with her shirt.

ALEX

It's probably just Tim and  
Pam, come on put your shirt  
down

TINA

I don't want them to see me  
naked

Alex goes over to the tent's entrance and peeks outside.

ALEX

Oh come on there's no one there

TINA

There might be

ALEX

Okay if I check it out and there's no one there can we carry on?

TINA

We'll see

ALEX

Fine. I'll look

Alex EXIT'S the tent.

**7. EXT. CAMP - DAY**

Alex looks around the camp and suddenly sees the Killer.

**8. INT. TENT - DAY**

Tina sits anxiously as she hears Al talking outside.

ALEX (O.S.)

Oh shit man ! You scared me! I didn't know anyone else was up here. We're not on private property are we?

(beat)

What's that?

(beat)

What the fuck are you doing?

NO!

Tina hears a THUD close to the tent's entrance.

She pulls the covers up to her chin and slowly crawls to the tent door and sticks her head out.

**9. EXT. TENT DAY**

TINA

Al!?

Tina sees Alex's dead body on the ground and gasps!

The killers steps out in front of Tina. She looks up and SCREAMS!!! He brings down his Machette on her head killing her.

**10. EXT. ROAD - DAY**

A VAN roars down the street and past us.

**11. INT. VAN - DAY**

MATT is at the wheel. He looks into the rear-view mirror.

MATT  
Every ok back there?

We see DUNCAN with his arm around KRISTY, his girlfriend. Kristy she rolls her eyes.

KRISTY  
I could be doing a lot better

DUNCAN  
Oh yeah? How?

KRISTY  
Well I could be at home watching my favorite soap but instead I'm stuck in a stuffy van on a hot summers day missing it

DUNCAN  
Come on it's just a one-time thing

KRISTY  
You know the outdoors isn't my thing

DUNCAN  
Yeah, but we're only going to be camping for a couple of days

Kristy suddenly wears a shocked face.

KRISTY

What?! A couple of days

DUNCAN

Yeah

KRISTY

What happened to "just one night I promise"?

DUNCAN

Well camping isn't exactly a one-night thing y'know, you really have to make a two day thing to get a real feel for it

KRISTY

What am I supposed to do for a bathroom for two days?

DUNCAN

It's the woods! There's a bathroom wherever you step

Kristy cringes and we turn our attention towards SITCOM and DAWN sitting beside one another.

SITCOM

(sarcastically)

Aren't relationships wonderful?

DAWN

I try to stay as far away from them as I can

SITCOM

Me too. Then again I don't like the idea of having to dump someone. I think I was made for the one-night-stand kind of life y'know, that way there's no confusion on either side, everyone knows where they stand

DAWN

(uncomfortably)

Yeah, how nice

SITCOM

And the fuck buddy system,  
y'know, booty call, whatever  
you wanna call it

Dawn scoots a couple of inches away from Sitcom and looks out of the window. Sitcom scoots closer to Dawn.

SITCOM

It's just, call each other up  
and wam-bam-thank-you-maam

DAWN

Can you back up a bit please  
and give me some room?

Dawn pushes Sitcom back with her arm.

SITCOM

What? I was just trying to be  
friendly. No need to get your  
knickers in a twist  
(beat)  
So, who's tent are you staying  
in tonight?

DAWN

Hun, your way out of your  
league. Maybe you and your  
hand should share a tent  
tonight

Duncan interrupts Sitcom and Dawn.

DUNCAN

Shit man you can't even get  
any from Dawn? You should give  
it up, bro!

DAWN

And what's that suppose to mean?

DUNCAN

Well come on I mean, do you  
even have a league? Because I  
know you've fucked one

Dawn sits quietly blushing.

KRISTY

So she likes sex big deal we  
all do

DUNCAN

Not as much as her. If she  
fucks any more they'll have to  
put her in the Guinness world  
records

DAWN

So I like sex big deal who  
doesn't? My personal business  
is not of yours so stay out of  
it. I'll fuck who I want to

Sitcom moves over and sits next to CINDY who is reading a  
book.

SITCOM

So, what are you doing Cindy?

CINDY

What does it look like I'm doing?

SITCOM

Fair enough what are you  
reading?

CINDY

Porno

SITCOM

What?

CINDY

Before you say it not it's not  
a women's erotic book it's a  
novel and it's the sequel to  
Trainspotting

SITCOM

You mean the movie about them  
Scottish junkies?

CINDY

Yeah

SITCOM

Oh. Can I ask you a question?

Cindy quickly ponders.

CINDY

What?

SITCOM

Do you believe some people can see the future? Because I can see us getting hot and heavy ourselves later tonight. What do you think?

CINDY

Nope I think anyone who says they can see the future does so to get money from the old and glibble

Matt laughs looking into the rear-view mirror.

MATT

Sitcom, would you stop hitting on all the pretty girls and get up here and help me find this place

SITCOM

Sure

Sitcom gets up and climbs into the front passenger seat.

SITCOM

What can I do yeah for?

MATT

Check on the map to see where we go now we just past the American Adventure theme park

Sitcom opens up a map and begins to study it.

KRISTY

Are we there yet?

SITCOM

Yep, that's why we're in the woods setting up our tents how about you get the campfire started?

KRISTY  
Ha fucking ha. Are we nearly  
there or not?

SITCOM  
Actually, it's the next left  
and down a mile

KRISTY  
Thank god!

**12. EXT. VAN - DAY**

The van pulls off the main road and down a side street.

**13. EXT. PETROL STATION - DAY**

The van drives through the shot.

**14. INT. VAN - DAY**

DAWN  
So, what's the name of this  
place?

MATT  
It's Camp Happy Dreams or some  
shit

Matt squints out the front window and spots the camp.

MATT  
And there it is everybody!

SITCOM  
Oh, yeah, time to party!

Sitcom and Matt high-five one another.

**15. EXT. CAMP ENTRANCE - DAY**

The van pulls up and makes a stop. Everybody EXITS the van.

MATT  
Alright make sure you don't  
leave anything behind 'cos  
where going half-a-mile in

Everyone puts on their packs and make sure they've got everything.

Matt climbs up in the van as we turn our attention towards Dawn and Sitcom. Dawn is having trouble carrying her pack.

SITCOM

It looks like you need a big  
strong man with toned muscles  
to carry that for you

Sitcom offers his hand out to carry Dawn's pack.  
Dawn jokingly looks around.

DAWN

Well if you see one. Be sure  
to tell me where he is.

Dawn walks out of view.

SITCOM

Fine. Just trying to be nice.  
(beat)  
And get a little

Matt looks around the scene spotting a trail.

MATT

Alright, there's the trail  
we'll take. Everybody just  
follow me

Everybody forms a line, Matt leads while Cindy is the last.

DAWN

Will this trail take us to our  
camping spot?

MATT

It should

KRISTY

How long is this trail?

MATT

As long as we want it to be.  
The trail goes on for 40-miles  
but we're just walking a good  
distance in to keep us away  
from society

Matt notices Cindy looking off into the woods.

MATT (CON'T)  
(to Cindy)  
You alright?

Cindy takes her eyes off the woods and looks at Matt.

CINDY  
Yeah, fine. I just thought I  
saw something

Then looks back to the Figure to see it is gone.

KRISTY  
Quit it, your spooking me out

MATT  
Well we're only a little way  
in so you might have. That's  
why we're going a good way in  
to get away from everyone

Cindy looks back one last time and sees nothing. The group  
continues on down the trail until they are out of sight.

**16. EXT. CAMP - DAY**

The group coming to a familiar clearing.

MATT  
This'll do nicely I think

Kristy and Dawn are both tired, they throw their stuff down.

KRISTY  
My feet are killing me!

DAWN  
Your feet, what about my back

KRISTY  
That was the longest trail  
I've ever hiked on

Duncan sets his stuff next to Kristy's pack.

DUNCAN  
Longest, more like only

KRISTY  
Yeah well then it's still the  
longest isn't it

Sitcom spots a swing tied with a rope to a tree.

SITCOM  
Look! A rope swing!

DUNCAN  
Yeah! Me first!

Sitcom and Duncan run to the swing.

KRISTY  
I don't believe it, they put  
up a swing, but no bathrooms

Sitcom and Duncan stand fighting over the rope swing to see  
who will swing first. Kristy and Dawn sit on their bags and  
watch.

KRISTY  
Look at them, their fighting  
like two, two year olds

DAWN  
At least we're not that idiotic

Matt walks over to them breaking it up.

MATT  
(taking the rope)  
Okay lets settle this  
properly, right who was born  
first out of you both

DUNCAN  
Me I was

SITCOM  
That's not fair

MATT  
Okay and I was born before you  
and that makes me first

Matt SWINGS away on the rope.

SITCOM

HEY!

Matt jumps off the end of the rope and it swings back.

MATT

(to Dawn)

Okay how about you and Sitcom  
go and search for some  
firewood

(to Cindy and Kristen)

And you two go and look for  
some logs or something for us  
to sit on. Me and Duncan will  
get started on the tents

CINDY/KRISTEN

Okay/Alright

Cindy and Kristen walk off together.  
Dawn wears a depressed look.

DAWN

Why do I have to be paired up  
with Sitcom?

MATT

No reason we just need two  
teams to split and do  
different things that's all

DAWN

Okay but you didn't answer my  
question. Why do I have to be  
paired up with laughing boy  
over here?

SITCOM

Hello, person with feelings  
over here

MATT

Look can you just get  
something we can burn please?

DAWN

Fine whatever!

Dawn sighs while Sitcom grins when suddenly Duncan pushes  
Sitcom away from the swing.

DUNCAN

Sucker!

Duncan taking a swing as he laughs at Sitcom.

**17. EXT. NEAR CAMP - DAY**

Kristy and Cindy walk through the woods with pieces of wood.

CINDY

So, how do you and Duncan  
manage to stay together? I  
mean all you two do is seem to  
argue about everything

KRISTY

We don't argue about everything  
just unimportant stuff. Plus  
we go well together in bed

CINDY

Oh, I see

KRISTY

And sex is the most important  
part of a relationship  
afterall, well, that and trust  
I guess

(beat)

What about you? Why aren't you  
seeing anybody?

CINDY

Well I'm not really looking  
'cos-

KRISTY

You're into Matt?

CINDY

What?

KRISTY

Can you keep a secret?

CINDY

Er, it depends. What?

KRISTY

During the ride up, I  
overheard Duncan and Matt  
talking and I'm pretty sure  
Matt has a thing for you

CINDY

Really? What did he say?

KRISTY

Matt just said he'd like to  
get to know you better and  
maybe more

CINDY

Really? You're not just making  
this up are you?

KRISTY

No, I swear!

CINDY

I noticed he was looking at me  
a couple of times but I wasn't  
sure y'know!?

KRISTY

Well I noticed so I'm pretty  
sure he did. You should talk  
to him!

CINDY

I couldn't

KRISTY

Oh come on what have you got  
to lose?

The two continue to walk past us leaving our sight.

**18. EXT. CAMP - DAY**

Matt assembles one tent while Duncan assembles another.  
Matt looks over at Duncan and wears a concerned look.

MATT

So, how's the tent coming along?

Duncan becomes tempered and kicks his unstarted tent.

DUNCAN  
How's it look like it's going?

MATT  
Well, from where I'm standing,  
it looks as if your putting it  
together ass backwards

DUNCAN  
This fucking thing is stitched  
wrong or something!

MATT  
No it's not, just take your  
time and follow the  
intructions

Duncan wears an angry face, Matt realizes it bending down  
and picking up a peice of paper.

DUNCAN  
I don't have any directions

Matt points to a peice of paper on the ground beside Duncan.  
Duncan bends down finding the directions.

MATT  
Must have fallen out of your pack

Duncan begins to read the directions when he stops.

DUNCAN  
What!? It's in fucking  
Spanish, now what do I do?

Matt motions Duncan to flip the paper over. Duncan does.

MATT  
English is on the back genius

DUNCAN  
Whatever!

Matt and Duncan go back to working on the tents.

### **19. EXT. NEAR CAMP - DAY**

Sitcom and Dawn walk through the woods searching for wood.  
Sitcom walks behind her slightly checking out her ass.

DAWN

I know what you're doing back there

SITCOM

Oh yeah why aren't you stopping me?

DAWN

Can't be bothered

SITCOM

Or you like it!

DAWN

(sarcastically)

Of course I do

SITCOM

You've got by far the finest seat meat I've ever seen and trust me that's compliment 'cos I've seen alot of porn

Dawn smiles to herself and holds back a giggle.

SITCOM (CON'T)

(realising)

No wait, not a lot of porn just a fair share you know, no more than average or anything I'm not a perv

DAWN

He say's standing two feet behind me to check out my 'seat meat' as he put it

Sitcom stops looking at Dawn's behind and catches up to her.

SITCOM

Sorry I didn't mean to it's just-

Dawn stops while Sitcom does also.

DAWN

Is this all your gonna do? Just keep hitting on me every single chance you get?

SITCOM  
Sounds like a plan

DAWN  
We're suppose to be looking  
for firewood remember? We've  
been out here for at least 10  
minutes now and haven't found  
anything to burn.

A small beat of silence.

SITCOM  
You could all burn your bra's.  
we can all get naked and  
pretend it's the 70's

Dawn walks off ahead.

SITCOM  
What? I was only kidding! Oh  
come on we're in the woods  
what do you expect of me, A-  
material?

Sitcom quickly follows after Dawn until he's out of our  
view.

## **20. EXT. CAMP - SUNSET**

Sitcom and Dawn both carry fire wood and DUMP in onto a  
prepared campfire spot.

DAWN  
Where's the logs?

KRISTY  
We couldn't find any

DUNCAN  
Women  
(to Dawn)  
Not you, you did good

Matt finishes standing up the wood for a fire.

MATT  
How's that?

CINDY  
It looks great Matt

SITCOM  
I'd do her

Everybody looks at Sitcom awkwardly.

SITCOM  
We're talking about the camp  
right?

KRISTY  
I guess it could work

DUNCAN  
I'm glad it meets your high  
standards

Duncan notices Sitcom is walking to the swing and JUMPS to  
his feet.

DUNCAN  
Yo, Sitcom. How about me and  
you have a swinging contest?

SITCOM  
Alright

DUNCAN  
Whoever can swing the highest wins

SITCOM  
What's the winner get?

DUNCAN  
A night with Kristy

Kristy gives Duncan a pissed-off-shocked look.

KRISTY  
What!?

SITCOM  
You're on

DAWN  
I gotta see this!

Kristy throws a stick at Duncan.

DUNCAN

Calm down, I know what I'm  
doing

KRISTY

If you lose, so help me!

DUNCAN

Relax, I beat him earlier

SITCOM

Yeah in 3-swings when there  
wasn't a hot chick as the  
prize

The group stand in a line by the rope swing to watch the  
'competition'.

SITCOM

Ladies first

Sitcom offers Duncan the rope.  
Duncan takes it and swings long and high.

SITCOM

Go warm up your sleeping bag  
for me Kristy

Sitcom sticks his tongue out and wiggles it.  
Everybody laughs except Kristy.

DUNCAN

Stop talking and show me what  
you got, boy

Duncan hands Sitcom the rope. Sitcom prepares him self. He  
spits on his hands and grabs the rope.

Sitcom takes and run and swings - his hands slip and he  
lands on his back on the ground.

Everybody runs to Sitcom's assistance.

MATT

Sitcom, are you alright?

DAWN

Dick!

Sitcom lays still on the ground awake.

CINDY  
Can you move?

Sitcom suddenly scratches his head.

SITCOM  
I can wiggle my hips. Did I win?

Everybody bursts out in laughter.

**21. EXT. CAMPFIRE - NIGHT**

The group sit around the campfire roasting marshmallows.

MATT  
What should we do after this?

KRISTY  
I don't know, but I don't  
think you can get any more  
boring than this

DAWN  
Yeah, I've been sitting here  
eating marshmallows for like,  
ever

DUNCAN  
Well, do you guys know  
anything better to do?

KRISTY  
Yeah, eat more marshmallows.  
Toss me another Matt

Matt checks the bag of marshmallows to discover it empty.

MATT  
Sorry, all out

KRISTY  
I'm going to bed then

Kristy goes to get up.

DUNCAN  
Oh come on, it's not even late!

CINDY

Has anyone got any scary stories?

Kristy stops and takes back her seat.

KRISTY

Yeah, that'll keep me up

DUNCAN

Yeah all night. She got scared watching Bloody Murder

SITCOM

How about Urban Legends?

DAWN

Urban Legends, Ghost Stories, what's the difference?

SITCOM

Well, some Urban Legends might be true as most of them stem from some real event, whereas ghost stories are almost definately fake

DAWN

Don't be stupid, most Urban Legends have been proven untrue

SITCOM

Oh Yeah, and when did they do this 'test' cos I bet it's never

Dawn flips Sitcom off.

KRISTY

So who's gonna tell a story?

DUNCAN

I know Sitcom's got a scary story, and it's true too!

Duncan winks at Matt. Matt doesn't know why.

SITCOM

Yep, something that happened  
in this area, the reason why  
they call this place Camp  
Nightmare

MATT

I didn't know they did! So  
this camp has a legend? Like a  
murdering madman, is that  
right?

SITCOM

Oh yeah

DAWN

Sure it has

KRISTY

How did you hear about it?

SITCOM

The internet, I found it about  
a month ago, that's why we  
chose here to camp out

DAWN

Come on, stop teasing us and  
let's hear it

SITCOM

Fine, but it's not for the  
faint at heart

CINDY

Yeah right, just tell us

SITCOM

Ok, but I warned you

Everybody deadlocks on Sitcom.

SITCOM

There use to be a Ranger that  
patrolled the Camp during the  
nighttime hours. A lot of  
times he'd be bored and have  
nothing to do since much  
doesn't go on up here at

(MORE)

SITCOM (CON'T)  
night. He had a girlfriend he  
was DEEPLY and I mean DEEPLY  
in love with and he planned to  
marry her

DUNCAN  
You forgot the part about her  
melon sized breasts dude!

Kristy slaps Duncan.

KRISTY  
Shut up!

SITCOM  
So he brought her up here for  
a night filled with romance,  
in a tent like ours, exactly  
where are camp stands now

Kristy looks up at Sitcom scared.

SITCOM  
After they were finished, he  
asked her the big question and  
proposed. She said yes and so  
far it sounds like the perfect  
story with a happy ending.  
WRONG!

Dawn looks at Kristy as if the story's getting good now.

SITCOM  
A week later he was patrolling  
around this area and noticed a  
tent was setup in the same  
spot he and his fiance had  
theirs, and so out of  
curiosity, he snuck into the  
camp and heard two lovers  
inside the tent. He approached  
the tent to take a peek inside  
and discovered his fiance with  
another man, behind his back

DAWN

Maybe if he wasn't peeping he  
wouldn't have gotten his  
feelings hurt

CINDY

I would have looked

Cindy smiles at Matt.

SITCOM

This sent the Ranger into a  
state of furious anger. A  
state, he would never recover  
from. He went back to his jeep  
and pulled out a rather large  
machete, one that could cut a  
person clean in half

DUNCAN

A machete! I like his taste of  
weapon choice

SITCOM

He went back to the tent and  
pulled his fiancée's lover out  
slicing his head clean off his  
shoulders. The Ranger's fiancée  
was too shocked to flee the  
scene, she curled up inside  
the tent hoping the ranger  
would leave, but the last  
thing she saw was a machete  
coming through the tent down  
at her face

KRISTY

How stupid was she? I would  
have ran when he was killing  
her lover and never looked  
back

DAWN

Me too!

SITCOM

After the murders, the Ranger never showed back up at work, never even went back to his house. He might be off the camp's payroll, but they say he still lurks here at Camp Nightfall, away from society, a society that he can no longer live in. Searching the woods for innocent camper's to slice and dice, feeding the raging fire he can't put out

Everybody looks seriously at one another and becomes silent.

SITCOM

And if you listen quietly enough, on a warm summer's night, like tonight. You can hear all of his victim's begging for mercy, begging him to put his machete at rest

Everybody remains silent as they listen to the night air.

Suddenly Duncan quickly grabs Kristy's shoulders.

DUNCAN

Boo!

Kristy jumps and so does everybody else except Sitcom.

KRISTY

You dick

Duncan looks at everybody else realizing he spooked them.

DUNCAN

Man, all you pussies scare easy

MATT

Just because you jump doesn't mean your afraid, it's just a normal reaction when somebody screams

DUNCAN

Excuses, excuses

CINDY

Oh come on, you really think  
we believed that story?

SITCOM

You can sit there and think  
that it's jump another made up  
Urban Legend, but I assure  
you, it's not

DAWN

It's just another corny legend  
that every camp, park or  
spooky house has. Let me  
guess, he wears a Ranger's  
outfit?

DUNCAN

No, actually he wears a  
mechanics jumpsuit with a  
white mask

CINDY

That's so clichéd it's not  
even scary

SITCOM

Keep telling yourself that  
when your trying to sleep  
tonight.

(beat)

Speaking of sleep, I'm hitting  
the sack. This is your last  
chance Dawn to get a little  
action

DAWN

You had that backwards, you  
mean your last chance and no

Sitcom gets up and goes to walk away but stops to eye  
everybody

SITCOM

Ok, fine, suit yourself

(beat)

But remember to look out for  
Ranger Sparrow, I'm sure he's  
someplace close by

KRISTY  
Sparrow? Oh my God we're  
supposed to be afraid of that?

SITCOM  
It's not the name it's the face

MATT  
Well, I suppose I'll head to  
bed as well

Cindy yawns.

CINDY  
Me too

Duncan puts his arm around Kristy in a sensual manner.

DUNCAN  
So, you ready for bed baby

KRISTY  
I thought you'd never ask

Everybody except Matt begins to exit the campfire.

Matt picks up a bucket of water extinguishing the campfire.

## **22. EXT. COUPLE'S CAMP - NIGHT - ESTABLISHING**

Somewhere else in the woods we see another put out campfire and another tent. A light emits from the inside. We HEAR sexual moaning as a couple climax.

## **23. INT. COUPLE'S TENT - NIGHT**

A man and a woman are in the missionary position. A sleeping bag covers their bodies as HEATHER lies on the bottom while JEFF is on top. Jeff rolls off Heather's body onto his back revealing her breasts.

JEFF  
That was the best sex we've  
ever had

HEATHER  
It beats my bedroom

JEFF

No shit, we can actually make  
noise and not have to worry  
about your dad busting in with  
a pickaxe

Heather laughs.

JEFF

What? I wasn't joking! You're  
dad's crazy

HEATHER

He's not that bad

JEFF

Yeah but he'd kill me!

(beat)

Pass me a cigarette babe. I  
think they're in my pack next  
to you

Heather reaches and grabs the pack beside her, then  
remembers something.

HEATHER

Oh shit I forgot!

JEFF

What?

HEATHER

I got you an ounce. I stole it  
from my mom's dresser

JEFF

What, your mom smokes?

HEATHER

Like a chimney

JEFF

So where is it?

HEATHER

It's in my pack

Heather looks around the tent, but doesn't see her pack.

HEATHER  
I think I left it by the  
campfire. Can you go grab it?

JEFF  
For free weed I can do anything

Jeff grabs a lantern and goes to exit the tent, but suddenly stops.

JEFF  
Man, I should start bringing  
your mom out here. She's a  
MILF and she smokes weed

HEATHER  
Ha, that's not funny

Jeff exits the tent.

#### **24. EXT. COUPLE'S CAMPFIRE - NIGHT**

Jeff walks to the burnt out campfire and locates Heather's pack. As soon as he picks it up a twig SNAPS from the nearby woods.

Jeff hears the snap and looks around towards the woods for a while, but doesn't spot anything. He returns back inside the tent.

#### **25. INT. COUPLE'S TENT - NIGHT**

Jeff re-enters the tent with the pack and slides beside Heather

HEATHER  
Oh, yeah!

Heather grabs her pack and unzips a compartment pulling out the bag of weed as Jeff locates a lighter in his pocket.

She opens the bag, pulls out a ready made joint and hands it to Jeff. He puts it to his lips and lights it.

Heather watches as Jeff inhales.

HEATHER  
How is it?

Jeff exhales.

JEFF  
It's good babe

Jeff begins to inhale again as we leave the tent.

**26. EXT. COUPLE'S TENT - NIGHT**

RANGER P.O.V We see the couple's tent from a distance.

**27. INT. COUPLE'S TENT - NIGHT**

Heather is polishing her toe nails as Jeff smokes. Suddenly we HEAR a twig SNAP outside. Jeff hears it becomes silent as he wears a concerned face.

JEFF  
What was that?

HEATHER  
What was what?

JEFF  
I heard something. Something  
snapped outside the tent

Heather starts to laugh as Jeff peeps out the front of the tent as if he's paranoid.

HEATHER  
Your trippin babe

JEFF  
What? I'm not trippin, I heard  
the same sound when I went to  
get your pack

HEATHER  
It was probably just an animal  
relax, we're in the woods

JEFF  
I dunno, it didn't sound like  
one. It was just one snap, an  
eerie one snap

Jeff quickly grabs his lantern turning it on. Heather stops polishing.

HEATHER  
What are you doing?

JEFF  
I'm gonna go check it out

Jeff gets up and goes to exit the tent.

HEATHER  
This is the last time I let  
you smoke

JEFF  
Hey, it's better to be safe  
than sorry. If I don't find  
anything you can laugh all you  
want

HEATHER  
Alright, but hurry back. I  
think we need to go another  
round

Heather bites her bottom lip. Jeff EXIT'S the tent.

**28. EXT. NEAR TENT - NIGHT**

Jeff stands with the lantern as he searches for a figure. He walks a while but sees nothing. Jeff starts walking as he leaves the camping area heading out into the darkened woods.

**29. EXT. WOODS - NIGHT**

Jeff slowly walks as he uses the light from his lantern to guide the way. He begins to talk to himself.

JEFF  
This was a stupid idea

Suddenly Jeff sees a FIGURE quickly walk behind a tree. Jeff SNAPS himself around to see and becomes frightened by the sight

JEFF  
(shakey)  
Who's there?

No response.

JEFF

You can come out! I saw you go  
behind the tree!

Still no response.

Jeff becomes impatient and starts heading towards the tree.

JEFF

Don't play games with me! I  
mean it, even if it's you  
Heather!

Still no response. Jeff slowly walks as he approaches the tree quickly looking behind it to see NOTHING.

Jeff takes a deep breathe as he re-groups himself when suddenly he spots another Figure walking behind a tree.

Jeff stands befuddled as he spots another Figure walking behind a tree in the opposite direction of the last.

Jeff rubs his hands over his eyes as he closes them. He holds that position for a second, then removes his hands re-opening his eyes.

He looks around the scene where the Figures' were and spots nothing.

Jeff grabs his lantern getting back to his feet and starts heading back towards the direction where the tent resides.

### **30. EXT. NEAR TENT - NIGHT**

Jeff has made it back to the tent, he enters it.

### **31. INT. COUPLE'S TENT - NIGHT**

Jeff enters sitting his lantern aside and sits beside Heather who is rolled on her side and under her cover seemingly asleep.

JEFF

Hey! Why are you sleeping? I  
thought we were going to fool  
around again?

No response from Heather. Jeff pokes her back to wake her up. Heather doesn't budge.

JEFF

Come on baby, wake up!

(beat)

Baby?

Jeff realizes something isn't right. He grabs her shoulder and pulls her onto her back TO REVEAL: Heather's chest sliced open with a single cut and covered in blood.

Jeff starts to panic as he backs away from Heather's corpse.

JEFF

No! No!

Jeff looks to the entrance to the tent and goes to exit peeping his head outside when suddenly he spots our Killer with his bloody machete poised high in the air.

JEFF

Aaauuggghh!!!

Jeff holds up his hands to protect his face as the RANGER STABS HIM IN THE HEAD.

END OF ACT ONE

ACT TWO

32. EXT. CAMP - MORNING

A BLOODY KNIFE fills the screen as we make our way towards Dawn's tent. Another hand comes into shot and OPENS the tent door TO REVEAL: Dawn asleep. The hand moves in and GRABS Dawn's shoulders awaking her... she SCREAMS!.

33. INT. DUNCAN AND KRISTY'S TENT - MORNING

Duncan and Kristy suddenly sit upright at the sound.

DUNCAN  
What the fuck was that?

KRISTY  
It sounded like Dawn

Duncan and Kristy quickly begin to exit their sleeping bags.

34. EXT. CAMP - MORNING

Duncan and Kristy exit their tents along with Matt and Cindy who exit theirs to see what's going on.

DAWN (O.S.)  
You idiot!

Matt quickly opens Dawn's tent to reveal Sitcom behind the knife. He's exhales. Duncan pops his head in a second later.

DAWN (CONT'D)  
You could have had my eye out  
you moron!

MATT  
Sitcom, what the hell are you  
doing!

DUNCAN  
I didn't think you were that  
desperate

Sitcom attempts to calm Dawn down as well the others.

SITCOM  
It's not what it looks like,  
Okay! It's ketchup

MATT

Ketchup?

SITCOM

I made a surprise breakfast  
for you guys! I was trying to  
wake Dawn up to give her hers  
first

DUNCAN

Cooked breakfast?

Sitcom nods and Duncan flees thent to find food.  
Kristy and Cindy quickly pop their heads inside the tent.

KRISTY

I should have known!

CINDY

You know you could just try  
paying for it!

SITCOM

Ha!

Sitcom moves everybody out of the tent and EXIT'S the tent.

### **35. EXT. CAMP - MORNING**

The campefire roars. Duncan sits with a paperplate of bacon.

Dawn exits her tent as she sees everybody has taken their  
attention away from her.

DAWN

(sarcastically)

That's ok, I'm fine!

Dawn wonders over to Matt as he picks his breakfast plate.

DAWN (CONT'D)

Thanks, Matt.

MATT

For what?

DAWN

For being the first to come  
see if I was ok back there

MATT

Oh, that, no problem

DAWN

At least someone cares about  
me

Matt picks bacon from the pan and puts it on his plate.  
Dawn sees everyone digging in to their breakfast and quickly  
turns her attention back towards Matt and touches his arm.

DAWN (CONT'D)

So, I was wondering, how about  
we go take a walk? Just me and  
you. You can bring your  
breakfast if you'd like.

MATT

Um, now's not such a good time.

Matt brushes Dawn's hand away and slyly walks away.

DAWN

Maybe later then!

Sitcom, carrying a dish, suddenly approaches Dawn spooking  
her.

DAWN (CONT'D)

Now what do you want?

SITCOM

I just wanna say sorry for  
scaring you. So I'm sorry  
okay!?

(beat)

Anyway, I made your favorite  
dish, eggs and bacon right?

Dawn turns her attention away from Sitcom and watches Matt  
as he sits chatting to Cindy eating breakfast.

SITCOM (CONT'D)

How about I put it down my  
pants and you can go in after  
it!

DAWN

Ewe! Beat it, Killer

Dawn pushes Sitcom's dish away and walks away from Sitcom. Sitcom shrugs his shoulders and begins to eat the food.

Dawn walks over to her tent and grabs a bottle of water. She takes off her shirt, strips down to her underwear and pours the bottle of water over herself. Everyone watches. Dawn smiles to herself.

Suddenly drops her water bottle on purpose.

DAWN

Whoops!

Dawn bends over right in front of Matt. Cindy is disgusted.

CINDY

I think I just lost my appetite

Cindy sits her plate aside. Matt follows suit.

MATT

You wanna go for a walk?

CINDY

Sure

Matt and Cindy get up and walk off together. Dawn watches them disappear into the woods.

DAWN

Fucking great.

Dawn takes her water bottle and carelessly tosses it away. She puts on a t-shirt and ponders for a moment. She looks around the camp and finally rest her eyes Sitcom.

Dawn bites her lip with a smile and removes her bra from underneath her shirt. She tosses it inside her tent and pulls her top up to show off her stomach and accent her wet boobs.

DAWN (CONT'D)

Hey Sitcom. Do you still have that dish you made me?

Sitcom gets up and walks over with the half-eaten dish. Dawn looks at it as it's almost completely gone.

DAWN (CONT'D)  
Jeeze! I told you to beat it,  
not eat it

Sitcom stires at Dawn's nipples through her wet shirt.

SITCOM  
Well, I didn't think you  
didn't wanted it

Dawn stands up and steps up to Sitcom and starts fingering his chest.

DAWN  
I get cranky when I skip  
breakfast in the mornings and  
there's only one other thing  
that will put me in a good  
mood for the rest of the day

Dawn takes her eyes and scans from Sitcom's shoes to his face.

SITCOM  
Lunch?

DAWN  
No silly  
(beat)  
Why don't you come in, my tent  
and find out?

Dawn grabs Sitcom's shirt and pulls him down into her tent.  
Dawn peeps her head back outside zipping the entrance up.

**36.**

Duncan and Kristy finish up their breakfast outside their tent.  
They sit their plates aside and begin to converse.

DUNCAN  
Breakfast wasn't bad

KRISTY  
Yeah, I didn't know Sitcom was  
such a good cook

DUNCAN

I didn't know he could cook!  
So, how about Sitcom's story  
from last night?

KRISTY

What about it?

DUNCAN

Well, I mean, didn't you think  
it was kinda spooky?

KRISTY

Oh come on it's just a stupid  
story you hear all the time at  
places like this

DUNCAN

Yeah, so you're not afraid of  
the Ranger in the slightest  
then?

Kristy laughs.

DUNCAN (CONT'D)

What's so funny?

KRISTY

Come on. A psychotic Ranger  
wielding a huge machete. And  
not to mention his last name's  
Sparrow! What's that?

DUNCAN

So your saying your not afraid?

KRISTY

Nope. Not one bit.

DUNCAN

Then why were you kicking in  
your sleep last night?

Kristy remains silent.

DUNCAN (CONT'D)

I think somebody was scared  
last night. I think they had a  
little Camp Nightmare!

KRISTY

Alright, so I had a nightmare.  
Big deal. I always get them  
when I'm not in my own bed. Or  
yours!

DUNCAN

It was about him wasn't it?  
The Ranger!

KRISTY

So what if it was

DUNCAN

Are you going to tell me about  
it?

KRISTY

Do I have to?

Duncan stares at Kristy, Kristy sighs as she begins.

KRISTY (CONT'D)

Fine but you better not laugh.  
It was morning and I woke up  
in my tent and went outside  
and nobody was around, so I  
figured I was the first to  
awake. So, I searched in  
everybody's tent, but none of  
you were there so I started to  
scream your names, but nobody  
answered. I went out in the  
woods and this guy...

DUNCAN

-The Ranger!

KRISTY

Yes, Ranger birdboy was there  
and he had a machete. He  
jumped out right in front of  
me. I told him to leave me  
alone, but he just kept coming  
for me getting closer and  
closer. I went to run, but my  
legs were frozen. I saw his  
machete coming down on me and  
the next thing I knew, I woke  
up

Duncan jokingly takes his hands and goes to grab Kristy as if he's gonna strangle her.

DUNCAN

I think it's a sign that he's coming to get you, Kristy.

KRISTY

Nice try. It was probably just from Sitcom's story last night. Anyway Sitcom said he wore a white mask and this guy didn't have one so there!

DUNCAN

Maybe he forgot it or the elastic broke on it and he hadn't got around to buying a new one yet!

Kristy punches Duncan's arm.

KRISTY

Funny!

(beat)

Where is everyone?

**37. EXT. WOODS - MORNING**

Matt and Cindy walk side by side through the woods.

CINDY

It's funny how we have the same friends, but really don't know much about each other

MATT

I know. I saw you all the time in class. Well, I use to, before I dropped French

CINDY

That's right. I remember you. You sat like right behind me. Why didn't you bother saying anything?

MATT

Well, I was seeing a girl

CINDY

I hope it was a girl!

Matt and Cindy laugh together.

MATT

Of course! Actually she's  
camping with us

Cindy quickly ponders putting it together.

CINDY

Dawn?!

MATT

Yeah, Dawn. It's not something  
I like to brag about

CINDY

That's why she's been hitting  
on you this whole trip

MATT

Maybe. I had to break up with  
her though 'cos she would just  
hate it when I talked to other  
girls

CINDY

Oh, one of them sorts

MATT

Yeah, one of them. And anyway,  
you're only supposed to speak  
French in French class and I  
don't speak it so I couldn't  
have spoken to you if I wanted  
to

CINDY

Does that mean you didn't want to?

MATT

No I was just-

Matt sees Cindy smiling.

CINDY

I was joking

Cindy suddenly stops walking, Matt does also.

CINDY (CONT'D)  
If you don't mind me asking,  
why exactly did you ask me to  
take a walk with you?

Matt scratches the back of his neck as he's speechless.

MATT  
I don't know, I just thought-

CINDY  
(interrupting)  
You don't have to beat around  
the bush. I've noticed you  
looking at me when you don't  
think I see you

MATT  
(looking away)  
Oh!

CINDY  
Plus, Kristy told me you were  
interested in me.

MATT  
(surprised)  
What?!  
(beat)  
Duncan! I'm going to kill him!

Cindy grabs Matt's hand.

CINDY  
Calm down. Duncan didn't tell  
her, she overheard you two on  
the ride up.

Matt looks embarrassed.

MATT  
Now I feel like an idiot

CINDY

Don't. I think it's cute that you talk about me with your friends. Though, you probably should have came up to me and introduced yourself

MATT

I just thought you might have been with someone y'know! I mean, you're nice, and hot. Single? I doubt it

Cindy giggles.

CINDY

Well, I wasn't single, but I was looking

MATT

Was?

Cindy moves in and kisses Matt.

**38.** RANGER'S POV: We watch Matt and Cindy kiss from a distance.

**39. EXT. CAMP - MORNING**

Matt and Cindy arrive back from their walk as Dawn's emerges from her tent with her bra visible and hair ravaged. Sitcom follows her out.

Dawn grins at Matt who stops dead in his tracks. Cindy continues to her tent. Sitcom goes over to Matt.

SITCOM

That's right! I scored!

Sitcom goes to high-five Matt, but Matt doesn't raise his hand.

Matt goes back to his tent.

SITCOM (CONT'D)

What's with him? Did I do something wrong?

CINDY

Matt use to date her

SITCOM

Oh yeah! Shit!

Sitcom walks out of shot. Cindy stands and glares at Dawn.

DAWN

What's that look for? You  
would have done the same thing

Cindy shakes her head in shame as she walks off.

CINDY

Whore

Matt sits next to his hiking pack as he digs through it.  
Sitcom confronts him.

SITCOM

Look, I'm sorry dude. I forgot  
about you an-

MATT

It's all right. We were over a  
while ago and I broke it off  
so no big deal

SITCOM

Are you sure? I'd want to kick  
the crap out of someone

MATT

It's fine. I was the one who  
broke up with her so forget it

Sitcom puts his fist to shake hands.

SITCOM

So are we cool then bro?

Matt takes his fist and gently taps Sitcom's fist.

MATT

Yeah man

SITCOM

Alrigh, see ya

Sitcom gets up and leaves. Dawn now emerging beside Matt.

40.

DAWN

So, your not going to say anything?

MATT

About what exactly?

DAWN

About me and Sitcom maybe?

MATT

Why should I? Your both single

Dawn sighs to herself as she crosses her arms by her chest.

DAWN

I don't think your getting the message

MATT

Maybe I'm not but I don't really care so it doesn't matter

DAWN

Well, I did it to make you jealous. I want you back

MATT

Look Dawn, what we had, is over! It's been over

DAWN

It's only over if you let it be-

MATT

Well I'm letting it be. Despite what you may think, going off and fucking some other guy isn't going to make me jealous and want you back, it doesn't work that way with any guy girls just think it'll work. I dumped you remember

A beat of silence.

DAWN

Fine!

Dawn walks off back to her own tent.

41. ANOTHER AREA: Sitcom joins sits with Duncan and Kristy.

SITCOM

Guess who just did Dawn?

DUNCAN

Ranger Sparrow? No way!

SITCOM

Very funny, no me actually!

DUNCAN

Of course you did, even though she's been rejecting you this whole trip

SITCOM

Oh come on! She's a no purchase necessary item it's not like it's a challenge or anything

KRISTY

Despite you've been trying for weeks with her

DUNCAN

And everyone else

Duncan and Kristy look at each other doubtfully.

SITCOM (CON'T)

I swear I'm telling the truth!  
Ask Matt!

DUNCAN

Maybe he is  
(beat)  
Welcome to manhood. How was it?

SITCOM (CONT'D)

Oh, it was, you know, the usual. Not the best I've had but good!

Kristy and Duncan laugh.

SITCOM  
Ha, very funny?

Sitcom walks back to his own tent.

DUNCAN  
Matt, what are we doing this morning?

KRISTY  
Let's go berry picking. I saw a couple bushes on the hike up.

DUNCAN  
Yeah right

KRISTY  
Ok Mr. Know-it-all, how about you give us an idea?

DUNCAN  
I don't have any. That's why I'm asking.

SITCOM (O.S)  
(shouting)  
Hiking!

KRISTY  
Hell no!

MATT  
We've done enough walking so far. Anyway someone might steal our shit

DUNCAN  
The Ranger!

Suddenly a football comes FLYING at Matt.  
Cindy joins the gang with her hands on her hips.

CINDY  
Anybody game?

Everyone stays quiet.

CINDY (CONT'D)  
Well? Are you boys just going  
to sit there and stare?

MATT  
I'm game

SITCOM  
I'm on Cindy's team

Sitcom adjusts his nuts as he EXITS SHOT.

DAWN  
They don't wanna hike, but  
they'll run all over the place  
chasing a ball

#### **42. EXT. FIELD - DAY**

##### **First shot:**

Matt kicks a ball moving up field with Duncan hot on his tail.

Matt closes in on Kristy in goal.

Matt goes for a shot at the goal - Duncan sticks his foot out knocking the ball away from Matt's feet tripping him.

Matt falls to the ground.

MATT  
Oh you cheat!

##### **Second shot:**

Dawn takes ball control and runs down field. Cindy on her tail.

Cindy comes in for the tackle. Dawn passes the ball to Duncan.

Matt chases Duncan but Duncan SCORES past Sitcom.

DUNCAN  
Yeah baby! You can't stop  
this! You can't stop it

Sitcom quickly throws the ball back out to the field as Duncan and Dawn celebrate. Matt quickly runs down field towards Kristy in goal.

Duncan sees Matt running.

DUNCAN

Oh shit

Duncan runs after Matt but it's too late...

KRISTY

SHIIIIIT!

Kristy covers her face as Matt kicks the ball past her scoring.

**Third shot:**

Matt and Duncan are breathless.

DUNCAN

We're tied six to six! Looks like we're going into overtime!

Duncan runs off to meet his team-mates Dawn and Kristy.

DAWN

Nice kick, Duncan!

DUNCAN

Nice pass! I wouldn't have scored without it!

Duncan smacks Dawn on the ass. Kristy becomes angry.

KRISTY

Did you just smack her on the ass!

DUNCAN

Well, yeah.

Kristy punches Duncan.

DUNCAN

Ouch! What was that for?! It's just a way of showing good sportsmanship!

KRISTY

Have you ever heard of telling someone they did a good job?

DUNCAN

Well, I'm sorry, I would have  
smacked you too, but you  
haven't done anything this  
entire game, but bitch about  
your hair getting messed up or  
your clothes might get dirty  
if you dive after a ball.

(beat)

Get back in goal woman

Dawn quickly ponders to herself not paying attention to  
Duncan and Kristy arguing.

DAWN

Is that what it was for? I  
need to make good plays more  
often.

Kristy continues to glare at Duncan as we go across the  
field to see Matt and Sitcom sitting on the ground resting.

SITCOM

What happened out there? I  
thought you played for the  
school?

MATT

I did, but so did Duncan

SITCOM

Then what's got you?

Matt looks over at Cindy. She bends over to tie her shoe  
lace.

Matt stares at her ass. Sitcom notices.

SITCOM (CONT'D)

Oh! I see. You're looking to  
get a bit of Barbie

Matt quickly looks away from Cindy and towards Sitcom.

MATT

Like you haven' checked her  
out

Matt looks back towards Cindy.

MATT (CONT'D)

How can I concentrate when I  
can't take my eyes away from  
her?

SITCOM

It's simple. Just think of  
somebody your not attracted to

Sitcom gets Matt's full attention.

MATT

Really? You think that will work?

SITCOM

Sure. For example, just think  
of a relative, like your mom.  
That's what I do.

MATT

Cheers!

(a beat)

Hey you fucker

Sitcom laughs and Matt pushes him.  
Duncan, Dawn and Kristy walk towards the two.

DUNCAN

Alright, come on you pussies,  
it's time for overtime. That  
is, unless you losers would  
like to save the trouble and  
forfeit?

SITCOM

We wouldn't dream of it.

Matt and Sitcom get up standing next to Cindy.

DUNCAN

Fine, then. Get ready for your  
walk of shame back to camp.

CINDY

In case you can't remember the  
score, we're tied six-to-six.

DUNCAN

Not for long.

Duncan walks away with the ball.

MATT

Hey, Duncan. How about we change things up a bit?

DUNCAN

I'm listening.

MATT

How about we have a one-on-one sudden-death shoot-off? If you make the goal you win, if you miss the goal, you lose. You can even pick the goalie you'd like to kick against

KRISTY

Yes! Please, no more running.

DUNCAN

Shut up. I'm the captain  
(beat)

It sounds too easy. What's the catch?

MATT

There is no catch. Unless, your chicken. Bock! Bock! Bock!

Matt jokingly starts to flap his arms like wings. Everybody laughs except Duncan.

DUNCAN

Alright, your on. Who kicks?

MATT

We need to flip a coin, anybody got one?

Sitcom pulls a coin from his pocket.

SITCOM

Call it. Heads or tails.

Sitcom flips it into the air.

DUNCAN

Tails.

The coin lands in Sitcom's hand revealing tails.

DUNCAN (CONT'D)

Looks like today's not your  
lucky day losers. I'll pick  
you as my victim, Matt

Duncan walks off to prepare. Matt approaches Sitcom and  
Cindy.

MATT

I have a plan, listen up

The three step close to one another almost in a huddle.

We look out onto the field to see Duncan dropping the ball  
not far away from the goal.

Duncan warms his leg up by kicking into the air a few times,  
then looks over to see the three conversing.

DUNCAN

Come on! We don't have all  
day. Let it be quick so it  
won't be as painful

Matt steps away from Sitcom and Cindy.

MATT

Got it!

Matt jogs out onto the field in front of the goal and  
prepares to block the shot.

MATT (CONT'D)

Don't choke.

Duncan smiles widely as he steps back to get a running start.

DUNCAN

Eat this

Duncan goes to run to kick the ball, but as he does...

CINDY

(shouting)

DUNCAN!

Duncan glances her way as he is about to kick the ball... just as Cindy flashes her breasts at Duncan. Duncan's eyes don't move off them and he slips, kicking the ball way off from the goal.

Matt, Cindy and Sitcom cheer!

DUNCAN

Wait no, you can't do that!  
You cheated!

MATT

That's tough. You lost, fair  
and square!

DUNCAN

Fuck!

Duncan picks the ball up and KICKS it into the woods.

**43. EXT. WOODS - DAY**

We see the ball rolling from Duncan's kick as it gently stops on the Ranger's BOOTS as he stands motionless.

**44. EXT. FIELD - DAY**

Duncan has a childish tantrum and walks off from the rest of the group heading away.

KRISTY

What did you do that for?

MATT

Come on man, I was only  
messing with you!

CINDY

Yeah, be a good sport! Get over it!

Duncan ignores everybody and continues to walk away.

KRISTY

(shouting)

DUNCAN!

Kristy runs after Duncan leaving the scene.

MATT  
What about the ball?

SITCOM  
Don't worry, I'll get it

Sitcom runs towards the woods and out of our sight as the rest of the group waits on him.

**45. EXT. WOODS - DAY**

Sitcom walks through the woods looking for the ball.

SITCOM  
(to himself)  
Dam Duncan, how far did you  
boot it?

Sitcom looks for the ball when suddenly it ROLLS past him from behind him.

Sitcom sees the ball and quickly turns around to see...  
Nothing

Sitcom wears a confused face as he mumbles to himself.

SITCOM (CONT'D)  
What the fuck?

Sitcom picks up the ball and turns to walk back, he turns STRAIGHT INTO... The Ranger. He SLICES Sitcom!

The football DROPS to the ground covered in blood.

**46. EXT. FIELD - DAY**

Matt, Cindy and Dawn impatiently awaiting Sitcom's return.

CINDY  
What's taking him so long? Did  
he get lost?

MATT  
No. Sitcom's just alittle  
slow. It only takes him a  
minute to get something but it  
takes it 5 times as long to  
get back. Then again maybe he  
needs a hand

Matt looks at Dawn as if 'that somebody is you'.

DAWN  
A hand, very funny.

MATT  
Come on, let's head back

Matt takes Cindy's hand, they walk off towards camp.  
Dawn shakes her head and storms off ahead of the others.

**47. EXT. CAMP - DAY**

Dawn walks through the woods in search of Sitcom. She stops.

DAWN  
Sitcom?  
(beat)  
Oh Sitcom? Where are you?

Dawn gets no response.

DAWN (CONT'D)  
You might be able to score  
twice on the field, but you  
certainly won't off the field.  
So, you might as well come  
out!  
(beat)  
Sitcom?

Dawn spots the bloody soccer ball lying on the ground.

**48. EXT. CAMP - DAY - MOMENTS LATER**

Dawn sits by the campfire as she rubs her hands together in  
an attempt to remove the blood from her hands.

**49. LATER . . .**

Everybody else stands around Dawn as they interrogate her.

MATT  
What do you mean you didn't  
see him? He couldn't have just  
disappeared out of thin air

DAWN

Like I've been telling you! I called out for him a couple of times and didn't see him. Then I saw this ball covered in blood!

KRISTY

Blood?

Kristy looks at the ball lying near the campfire, then Duncan moves in to examine it.

DUNCAN

That's not blood, it's ketchup. You remember, he was making us breakfast earlier. You got all scared then too!

DAWN

Why can't I get it off my hands then? Ketchup rubs off!

Dawn shows her hands to the group as they are stained.

DAWN (CONT'D)

Could somebody please get me a water bottle?

Cindy tosses Dawn a water bottle as she begins to wash her hands off.

MATT

Maybe he's hurt then?

DUNCAN

How? Did he trip over his own shoe laces and bust his head open?

(beat)

If he did he would have come back to us and we'd have passed on the way back or he'd be here on the ground

MATT

Maybe he lost his way back and took a wrong turn

DAWN

Either way he's not here. We should go look for him incase somethings happened to him

DUNCAN

Like what? The Ranger got him?

Kristy suddenly becomes frightened as she looks around the woods near the camp.

KRISTY

It's possible I guess

DUNCAN

I was joking

CINDY

The Ranger? That was just a cheesy legend

KRISTY

Be honest, haven't you guys felt like somebody's been watching you?

DAWN

Other than Sitcom, no

Everybody laughs except Kristy.

KRISTY

What about when we first came up here. Cindy saw something

Kristy, uneasy, looks towards the woods again.

DUNCAN

Don't be ridiculous, he's not real

KRISTY

You said the legend was true yourself! Tell them about my dream then!

DUNCAN

Dreams don't mean anything. He's not Freddy Kruger

KRISTY

It was a nightmare!

CINDY

What happened?

KRISTY

A Ranger was near our camp and  
was going to slash me with his  
machete

Duncan starts to laugh quietly as he interrupts.

KRISTY (CONT'D)

What in the hell's so funny?

DUNCAN

It was just brought on by  
Sitcom's story that's all

KRISTY

But he swore it was real. My  
nightmare might be trying to  
warn us

DUNCAN

(quietly)

Don't be stupid you can't  
predict the future

KRISTY

No but people do have dreams  
that come true sometimes

DUNCAN

Come on it's Sitcom he made it  
up. He did it so it wouldn't  
be so dam boring when we came  
up here

Everybody glares at Duncan.

DUNCAN (CONT'D)

What? You guys acted like you  
didn't even believe it. Now  
your acting like a bunch of  
scaredy-cats!

DAWN

Your such a jerk Duncan. You  
and Sitcom

DUNCAN

Is it a crime to tell scary  
stories at night by a  
campfire? It's part of the  
camping experience okay!

MATT

Alright then, Duncan. Where is  
Sitcom then? I mean, since  
this was one big joke right?

DUNCAN

Joke? What are you talking about?

MATT

Well, you wanted us to believe  
your story which worked and  
now you want us to believe the  
Ranger got him

CINDY

Give it up, Duncan

DUNCAN

Yes, the story was probably  
just a prank, but I have no  
idea where Sitcom is

Matt shakes his head doubtfully. Cindy sighs.

DAWN

Do you really expect us to  
believe that?

MATT

(shouting)  
Sitcom! The gigs up!

DUNCAN

Look, I'm telling the truth.  
The disappearing part was all  
Sitcom

Matt, angry, interrupts as he steps closer to Duncan.

MATT

Look if this is a game just  
stop it cos you're scaring the  
girls

DUNCAN

I swear I'm not lying, okay?  
If it is a joke, I'm not a  
part of it okay? Come on he's  
probably just taking a shit  
somewhere. He's not gonna say  
"I'm over here" while he tries  
to give birth to Satan is he?

Cindy squints her eyes.

CINDY

So what's he doing exactly?

DUNCAN

I don't know where the fuck he  
is or what he's doing okay!?

Kristy looks ill.

KRISTY

Was the story real or not?

DUNCAN

I don't know, probably, maybe  
not, I don't know. Anyway it's  
the middle of the day, not  
even a madaxe man goes out  
killing during the day

Duncan goes to comfort Kristy, Kristy shrugs him off.

KRISTY

Just leave me alone!

Kristy walks away as Duncan follows her out of our view.

DUNCAN

Kristy, stop!

CINDY

(to Matt)

What do you think?

MATT

I'm not quite sure. It's  
definatley blood but then  
again he does like a joke.  
Then again he's never gone  
anywhere near this far

CINDY

Well, something's not right

MATT

Yeah. We should go out and  
look for him

CINDY

Shouldn't we just get help?

MATT

Phones won't work out here and  
we can't drive through the  
woods looking

CINDY

Could he have gone back to the  
car for something?

MATT

No, I've got the keys  
(beat)  
Duncan and I will search

CINDY

Can I come along?

Matt looks towards Duncan, ignoring Cindy.

MATT

Duncan! Come on we're looking  
for Sitcom

CINDY

Matt? Matt!

MATT

No. I think you should stay  
with Dawn and help comfort  
Kristy, she's a mess

Matt turns away once again yelling for Duncan.

MATT (CONT'D)

Duncan!

CINDY

What happens if some wacko is out there? And finds his way to camp!

MATT

(stressed)

I doubt it but, if some nut is out here it's best we stay in groups

Matt digs into pants pocket and pulls out the van's keys. He grabs Cindy's hand and hands her the keys.

MATT (CONT'D)

If anything weird happens while we're gone. Head for the van and lock yourselves inside. I just, I think it's better if you and the girls hang back

Duncan suddenly emerges bedside Matt.

DUNCAN

What, dude?

MATT

What took you so long?! Do you have the water?

DUNCAN

Yeah, but what for?

MATT

We're going to find Sitcom

DUNCAN

What about the girls?

Dawn joins the conversation.

DAWN

Yeah! What about the girls. Your just going to leave us here?

MATT

No, I'm leaving Cindy the keys  
to the van incase anything  
happens. I need you and Cindy  
to watch over Kristy

Dawn rolls her eyes.

MATT (CONT'D)

Don't worry. I'm sure every-  
thing will be fine. Just hang  
tight

Matt rips the water bottle from Duncan's hand.

MATT (CONT'D)

You better not be in on this  
if this is a joke

Mat begins to walk.

DUNCAN

So melodramatic

Duncan follows Matt.

DAWN

Great! What should we do now?

Dawn heads towards Kristy's tent, Cindy watches Matt and  
Duncan as they leave her sight.

**50. EXT. WOODS - DAY**

Matt and Duncan search through the forest.

DUNCAN

(yelling)  
Sitcom? Sitcom? Where are you?

MATT

(yelling)  
Sitcom! If you can hear us say  
something!

Matt and Duncan stop to listen for a response, however they  
don't hear one. They continue to search.

DUNCAN

Where the fuck is he? I could  
find Waldo faster than this!

MATT

Where did he say he was going  
to be again?

Duncan wears a befuddled look.

DUNCAN

What? You bastard! I told you

MATT

Can you blame me for trying?

PROWLER POV: We watch the two as they stop to look around.

DUNCAN

Did you hear that?

MATT

(yelling)

Sitcom? Is that you?

(beat)

You better not be playing  
around man! Jokes up

No response.

DUNCAN

(whispering)

I think it came from behind  
that tree over there.

Duncan points at a bush then looks around on the ground and  
grabs a thick tree branch as he holds it like a baseball  
bat.

MATT

(whispering)

You cover this side. I'll  
cover the other.

Duncan nods 'yes' and they split up making their way around  
each side of the bush.

Suddenly at the same time, they quickly look behind the tree  
as their faces turn surprised to see CINDY as the Prowler.

Cindy, embarrassed, is squatted down as if she's hiding.

CINDY  
Um, hey guys!

Cindy smiles at Matt and Duncan as they glare down at her.

**51. INT. TENT - DAY**

Kristy and Dawn sit inside. Kristy is picking at her nails as Dawn uncomfortably watches.

DAWN  
Could you please just stop that!?

KRISTY  
Sorry

Kristy stops picking her nails.

DAWN  
I'm sure they'll be back soon

Kristy crawls up to the tent entrance and tries to peep out the door from a 'safe' distance. Too afraid to look completely out she sits back again.

KRISTY  
Could you please check

DAWN  
I just did a few minutes ago.  
I'm sure they'd look here if  
they came back

Kristy gives Dawn a nervous look.

DAWN (CONT'D)  
Alright. But this is the last time

Dawn looks outside of the tent to discover a FIGURE making it's way through the forest towards their camp.

Dawn peeps her head back inside.

DAWN (CONT'D)  
I saw something

KRISTY  
What was it?

DAWN  
I couldn't tell

KRISTY  
What do you mean you couldn't  
tell?

DAWN  
Some trees were in my way but  
someone is definately there

KRISTY  
Is it Matt and Duncan?

DAWN  
I don't know! Look for yourself!

Kristy slowly comes up with enough courage to discover the Ranger making his way into camp as he appears to be searching for something.

Kristy's eyes light-up as she notices a BLACK BANDANA tied to the Man's arm. Kristy turns back to Dawn.

KRISTY  
Was Sitcom wearing a black  
bandana on his arm when we  
were playing football?

DAWN  
He does sometimes but-

KRISTY  
That miserable son of a bitch!  
I can't believe I believed  
him!

Kristy, furious, goes to exit the tent.

Kristy storms from the tent.

## **52. EXT. CAMP - DAY**

Kristy makes her way towards the Ranger. His back is to us. Kristy confronts him.

In the background we see Dawn peeking outside of the tent.

KRISTY  
(sarcastically)  
Oh no! Look! It's the Ranger!  
And he has his big bloody  
machete! Let me guess, it's to  
make up for the size of your  
dick!

The Ranger stands still without turning.

KRISTY (CONT'D)  
(sarcastically)  
Well? Are you just going to  
stand there or are you going  
to turn around and use it?

The Ranger still stands motionless. Kristy sighs.

KRISTY (CONT'D)  
Alright Sitcom, you can take  
off that stupid shit off now I  
know it's you! If you weren't  
such a moron you would have  
remembered to ditch the  
bandana before you play dress-  
up

Kristy waits as slowly The Ranger turns around and we see  
his face... Kristy steps back as she realises it's not  
Sitcom.

Dawn backs into the tent, peking outside.

KRISTY (CONT'D)  
Oh I'm sorry I thought you  
were someone else. You see our  
friend Sitcom, well his names  
Chris but we-

Suddenly The Ranger GRABS Kristy's hair. She turns around to  
run but The Ranger STABS the machete through her back.

Kristy falls to the ground on her knees as blood starts to  
flow from her mouth.

DAWN  
Kristy!

The Ranger spots Dawn and stirs at her.  
Dawn looks back at him in fear.

**53. EXT. WOODS - DAY**

Matt, Cindy and Duncan standing next to the bush where they discovered Cindy.

CINDY

I don't understand why I  
couldn't tag along in the  
first place. Between the three  
of us, we could cover more  
ground.

MATT

Who did you leave the keys  
with then?

CINDY

I gave them to Dawn

Matt sighs as he puts his hands on his hips.

MATT

Dawn might leave us stranded  
up here! She's pissed at me to  
boot!

DUNCAN

Great thinking Cindy!

CINDY

Why is it my fault? Your  
girlfriends the one who's  
going a.w.o.l

MATT

Well, somebody needs to go  
back and check up on them

CINDY

Don't look at me

Matt looks at Duncan. Duncan notices rolling his eyes.

DUNCAN

Me? Oh no you don't!

CINDY

She's your responsibility

MATT

We don't have a choice Duncan.  
Just let Cindy and I take over  
the search

DUNCAN

You drag me out here thinking  
I'm lying and now you want me  
to go all the way back to camp  
just so you can score brownie  
points with your new  
girlfriend

MATT

Camps only a few hundred  
meters that way

Matt points towards the direction of the camp.

DUNCAN

Fine. Whatever. Take up for  
Cindy over your bud

Duncan turns and storms off back to camp.

DUNCAN (CONT'D)

Don't be surprised if me and  
the girls leave you fools out  
here

Matt goes to say something but Cindy touches his shoulder  
and he doesn't say anything.

CINDY

Let him go. He's bluffing

Matt and Cindy begin to walk and search more.

#### **54. EXT. CAMP - DAY**

Duncan arrives back at camp. He quickly sees. Kristy's body  
lying face down on the ground.

DUNCAN

Kristy?

Duncan approaches Kristy's corpse getting better look as he  
notices a gash on her back. He drops his tree branch.

DUNCAN (CONT'D)  
What the fuck happened?

Duncan bends down and turns her body over revealing her bloody face and touching the wound gently, then he turns her corpse over.

DUNCAN (CONT'D)  
Oh shit!

Duncan checks her throat as he feels for a pulse. Nothing.

DUNCAN (CONT'D)  
Oh no, oh shit no! Baby wake  
up! Wake up!

Suddenly we HEAR a noise. Duncan turns around to discover the Ranger facing straight towards him.

DUNCAN (CONT'D)  
What! No! It can't be! He made  
you up! You don't exist!

The Ranger takes a step forward with his machete at the ready.  
Duncan picks up his tree branch to retaliate.

DUNCAN (CONT'D)  
Take one more step forward and  
I'll fucking end you, You sick  
fuck!

The Ranger ignores Duncan as he comes in for the kill.

Duncan charges at the Ranger. He brings his branch down for a head-shot.

The Ranger GRABS the branch.

DUNCAN (CONT'D)  
Shit!

The Ranger SWINGS his Machete at Duncan's unprotected ribs  
and cutting into his side.

**55. EXT. WOODS - DAY**

Matt and Cindy still searching.

CINDY  
Can you see anything?

MATT  
Yeah trees

Suddenly Cindy discovers a blood patch on the ground.

CINDY  
Matt, you might wanna see this

Matt runs over to Cindy.

MATT  
What? What is it?

CINDY  
Here

Cindy points to the trail of blood.

MATT  
Oh, shit!

CINDY  
Are you thinking the same thing

Matt and Cindy look at one another.

We see the blood trail ends at a bush.

Matt PULLS back the branches of the bush to REVEAL: Sitcom's  
CORSPE still and bloody.

Cindy SCREAMS!. Matt quickly wraps his arms around Cindy.

CINDY (CONT'D)  
Oh my god!

MATT  
We gotta get back to camp!

Matt and Cindy grabs hands and quickly run back towards  
camp.

END OF ACT TWO

ACT THREE

56. EXT. CAMP - DAY

Matt and Cindy run back to the empty camp.

MATT  
(shouting)  
Duncan! Kristy! Dawn!

CINDY  
Where is everybody?

Matt looks towards the tents.

MATT  
Quick! Check the tents!

Matt and Cindy run towards the tents. Matt checks a tent while Cindy checks another.

Matt sees nothing in his.

Cindy opens her and screams.

MATT (CONT'D)  
What! What's wrong?

Matt runs over to discover the bodies of Kristy and Duncan.

Both of the bloody corpses lie neatly beside one another. Cindy stands horrified by the sight.

CINDY  
We gotta get out of here!

MATT  
What in the fucks happening?!

CINDY  
I don't know!

MATT  
Where's Dawn?

Matt quickly glances around the scene for Dawn.

MATT (CONT'D)  
(calling out)  
Dawn! Dawn!

Matt grabs Cindy's hand.

MATT (CONT'D)  
Come on! We gotta make a break  
for the van!

Both flee the camp as Matt leads Cindy heading into the woods.

**57. EXT. WOODS - DAY**

Cindy and Matt run through the woods. Suddenly Dawn appears.

DAWN  
Oh thank God it's you!

MATT  
What's going on?

CINDY  
What's happened?

DAWN  
It's the Ranger!

MATT  
What Ranger?

DAWN  
I saw him kill Kristy. She  
thought he was Sitcom dressed  
up. He's real. I swear!

CINDY  
Sitcom's dead too!

DAWN  
Oh God

CINDY  
We found him in a hedge

MATT  
Dawn do you still have the keys?

Dawn checks her pockets.

DAWN

Yes! We have to leave, he was  
after me not too long ago!

CINDY

Did you see where he went?

DAWN

No, I think I lost him a while  
back

Suddenly the Ranger APPEARS in front of them blocking the  
path.

CINDY

Oh shit

MATT

Split

Everyone scatters a different way around the Ranger.

- Dawn runs past the Killer -
- He GRABS her by her hair and raises his machete -
- Matt SMASHES the Ranger in the head with a rock -
- He FALLS back to the floor on his back -
- Matt hits him a 2nd 3rd and 4th time then flees -

Cindy looks at the Ranger.

CINDY

Is he dead?

Matt looks at the Ranger.

MATT

He fucking better be or we're  
fucked, anally

The trio exit the scene making a getaway for the van as the  
Ranger lies motionless.

**58. EXT. WOODS - DAY - MINUTES LATER**

Our heroes make their way through the trees in search of the  
van

MATT  
The van should be just up ahead

Cindy looks up ahead.

CINDY  
I can see it! It's over there!

DAWN  
Thank God!

The trio run out of the woods and onto the road.

**59. EXT. VAN - DAY**

Everybody runs up to the van as Matt joyfully slaps it.

MATT  
Yes! Yes! Toss me the keys!

- Dawn tosses the keys to Matt -
- Matt runs to the driver's side opens the door and jumps in
- Cindy and Dawn quickly jump in the back -

**60. INT. VAN - DAY**

The three take their seats.

CINDY  
Lets get the fuck out of this  
death trap!

Matt takes the keys putting them in the ignition, he turns it.

The van sounds as if it's going to start, but it doesn't.

DAWN  
No way, no fucking way

MATT  
Come on baby!

Matt tries the ignition again, it still doesn't budge.

Matt looks at Cindy.

MATT (CONT'D)

Check the window. Do you see him?

Cindy quickly glances out her window and sees nothing.

CINDY

No!

DAWN

Don't worry about him! Just  
keep trying!

MATT

Third times a charm.

Matt closes his eyes and tries the ignition for the third  
time.

The van sounds as if it will go, but doesn't.

MATT (CONT'D)

Fuck! You piece of fucking shit!

Matt pounds on the steering wheel with his fists.

DAWN

Great, what do we do now?

MATT

I need to pop the hood

CINDY

That's too dangerous

MATT

We don't have a choice

Matt opens his door.

MATT (CONT'D)

Just sit tight and keep an eye  
out for me

DAWN

What do we do if we see  
anything!

MATT

Scream!

Matt jumps out of the van closing the door.

Cindy keeps looking out the window for a sign of the Ranger.

**61. EXT. VAN - DAY**

Matt pops the hood and takes a look at the engine.

**62. INT. VAN - DAY**

Dawn and Cindy wait impatiently.

DAWN

Do you see anything?

CINDY

No

DAWN

Maybe we're worried about nothing. He could be dead. I mean that was a huge rock Matt hit him with

CINDY

What happens if he's not?

Cindy looks serious at Dawn.

Dawn becomes nervous rolling the window down as she peeps her head out shouting towards Matt.

Matt quickly pops his head around the hood.

DAWN

What's the problem?

MATT

I'm not sure!

DAWN

Please! Hurry!

MATT

I'm trying my best!

Dawn climbs into the Driver's seat.

CINDY

Don't touch that you idiot you'll kill him and we'll never get out of here

DAWN  
Sorry! But it's not everyday  
you have a psychotic with a  
machete trying to kill you!

Dawn peeps her head back outside shouting once again.

DAWN (CONT'D)  
Did you get it?

Matt takes a step back from the hood.

MATT  
Ok, try it!

Dawn tries the ignition - Nothing.

DAWN  
Come on, start!

Dawn peeps her head back outside the window.

DAWN (CONT'D)  
Should I try it again?

No response. Matt doesn't respond.

DAWN (CONT'D)  
Matt?  
(beat)  
Matt?

Suddenly the hood drops to REVEAL: Matt spitting blood with  
the Ranger behind him. Matt's been stabbed. He drops dead.

- The Ranger goes for driver's side door.
- The Ranger walks to the drivers side as Dawn locks it.
- The Ranger goes back to the front and pops the hood again.
- Dawn and Cindy jump to the back of the van.

DAWN (CONT'D)  
What the fuck is he doing?

CINDY  
I'm gussing making sure we  
can't drive out of here

DAWN

What are we going to do?

Cindy ponders to herself.

DAWN (CONT'D)

Cindy! What should we do?

CINDY

I'm trying to think!

DAWN

Can't you come up with something? We're going to die!

Cindy suddenly points to the steering wheel.

CINDY

Hit the ignition, fry him

Dawn faces forward and grabs the key - she prepares to turn it -

The hood comes down revealing the Ranger -

DAWN

Too late

Dawn climbs in the back with Cindy.

DAWN

Alright, what now?

Cindy frantically ponders for a few seconds.

The Ranger walks around the van STABBING the tires.

CINDY

I think we're going to have to make a run for it.

Dawn rolls her eyes.

DAWN

Are you joking! That's a stupid idea!

CINDY

I don't see you coming up with anything!

DAWN  
Maybe we could stay here?  
Somebody might drive past

CINDY  
How long could that take!  
We'll be dead by then!  
(beat)  
Listen. I thought I saw some  
sort of station about a mile  
up ahead. I know we can make  
it!

Cindy approaches the back door.

DAWN  
What are you doing?

CINDY  
Getting out of here. Come on!

Dawn makes her way beside Cindy.

CINDY (CONT'D)  
On the count of three

Both girls begin to count together.

CINDY AND DAWN  
One  
(beat)  
Two  
(beat)  
Three!

The girls go to quickly open the door.

**63. EXT. ROAD - DAY**

- The van door opens and Cindy and Dawn make a run for it.
- The Ranger spots them and begins slowly after them.

CINDY  
(seeing the Ranger)  
Run!

- Suddenly the Ranger THROWS his Machete - it HITS Dawn's back but she's only cut
- Dawn falls face down on the road as she screams in pain.
- Cindy rushes to help her
- Cindy tugs on Dawn's arms slightly dragging her forward a few steps.

CINDY (CONT'D)  
Get up! Come on!

DAWN  
I can't! Help me! Please help me!

Cindy helplessly lets go of Dawn's arms as the Ranger comes in for the kill.

DAWN (CONT'D)  
Wait, Don't leave me! No!

CINDY  
Hey! Why don't you come get me  
you fucking bitch!

The Ranger STOPS - then continues towards Dawn having picked up his machete again.

The Ranger GRABS Dawn's hair and cuts her throat.

Cindy stands horrified as the Ranger drops Dawn and turns his direction towards her.

Cindy quickly begins to run down the road with the Ranger hot on her tail.

Cindy runs - The Ranger follows her a little faster than before

SITCOM (V.O)  
There use to be a ranger that  
patrolled Camp Nightfall

This sent the Ranger into a state of furious anger. A state, he would never recover from

(beat)

Searching the woods for innocent camper's to slice and dice, feeding the raging fire he can't put out

Cindy is still running as she turns around noticing that the Ranger is no longer on her tail.

Cindy stops. She looks left, right and behind herself. Nothing.

**64. EXT. STATION - DAY**

Cindy makes her way to the abandoned garage - she knocks on the door - someone appears - THE RANGER - he lifts his machete.

**65. EXT. FIELD - EVENING**

Sitcom's voice from the campfire comes back to haunt us.

SITCOM (V.O)

And if you listen quietly enough, on a warm summer's night, like tonight. You can hear all of his victim's begging for mercy, begging him to put his machete at rest

**66. EXT. STATION - DAY**

The Ranger as he stares at an abandoned STATION.
