Installation Options

Oil burner system - \$1250

Manufactured in the USA, the Weil McClain oil burner is known to be one of the most reliable on the market.

(Picture)

Oil Tank- \$900

Oil Tank installation also includes removal of old oil tank and cleaning of the area.

(Picture)

Hot water heater - \$450

Energy efficiency is key in our installation of hot water heaters. We use only high grade heating coils and solder.
