

The following paragraph contains some spelling errors. Use your dictionary to correct them. The mistakes are underlined.

Peopl today are shown pictshres (صُور) of slim and beautifll models and film stars. But, they rarely see pictures of ordinary peopl- like most of us. As a result, young people do there best to look like those models and unfortunately this is not always posibel (ممكn). Our genes make us what we are: Sum (بعض) of us are born beautiful, but most of us complane(يشتكي) constantly that we are too short, too (أكثر من اللازم) tall, too fat, too skiny...etc.

The following paragraph contains some misspelled words. Use your dictionary to correct them.

In the past, left handed pepol were always konsedered "diferant" and "awkward", and becoze of the fear of being diferant, many perants in many cultures used to forse their left-handed children to uze there right hands. Nowadays, however, the general attitude to left-handers is not so negatev, and people no longer look at them as "strange" or "diferant".
