### Minutes from the January Meeting

Merit Guinon and Bob McDonough presented January's meeting. They shared with us the information being taught in the new Special Education Program now being offered at the CDE Academy in Sacramento. Eugene McCray from Headstart was also in the class and provided some information as well. Merit and Bob brought handouts from the class to distribute. It was very informative and interesting.

#### REPORTS:

- ❖ CDE: Anna apologizes for not being able to attend again. She will try to make some meeting before May. Lee Crow is retiring as of the last class graduation on Jan 31<sup>st</sup>. Bob Austin will be bringing the brake board down to Imperial County for a class. He has 3 days available if anyone is interested. They are February 26<sup>th</sup>, March 18<sup>th</sup> and 19<sup>th</sup>. Give him a call. Please let Sara know if you are going to have Bob do a brake class for you and we can spread the word to anyone else who would like to attend.
- ❖ CHP: Robert reports that he has a new officer, Mike Edwards, who handles the Amber Alert Program and has offered to give us a presentation on it. He will be our speaker for the March meeting. Robert has no new information on the new 1<sup>st</sup> Aid test but maybe by next meeting.
- ❖ MOTOR CARRIER: Richard Brown reminded us of the new red light crossing regulations as of Jan 1, 2003 where the amber lights information is updated.
- ❖ CASTO: Kevin reports the poster contest is being judged and the Special Needs Roadeo is on Feb. 8. He will be updating the Casto website "eventually". Also, he received an email from the state concerning the State Conference. Because of the statewide cutbacks there is concern that attendance for the conference may be down, thus affecting the funds Casto has to work with. He will be at a meeting to discuss the situation. Nominations for state officers closes soon and nominations for local officers are continuing.
- ❖ GOOD OF THE ORDER:  
In correspondence with Ron Pryde, he sends his greetings to all. His new email address is on the instructors' list. Liz discussed the differences in the old 1<sup>st</sup> Aid book and the new one. Don handed out the CASTO pins to be distributed to everyone. Various original and renewal classes around the county were discussed.
- ❖ OLD BUSINESS:  
Minutes from last meeting required corrections in CASTO's report. The original statement was a reminder of a "membership drive" going on when in reality it is a "member of the year" drive going on. The minutes were then approved and seconded by Kevin and Susie.
