Da Bar is Da Champs of big Class E bracket

WEST WINDSOR TWP. — It looks like Da Bar may be surpassing Puss N Boots Tavern as the most recognized watering hole in the Fairless Hills area of Lower Bucks County.

Striking it rich last night, Da Bar captured the largest bracket in *The Trentonian/Patterson & Superior Chevrolet Tournament* when it won the 49-team Class E

Flight C championship.

It was the second very strong performance in a row for the Pennsylvania team, which finished second last year in the same bracket.

"It's almost exactly the same team as last year," said player/coach Bruce Wachter. "After coming close last year we came here pretty confident. We felt good about our chances."

Why not as Da Bar was on fire throughout, winning six straight games to capture its first *Trentonian* title.

In the winners' bracket final, Da Bar beat Chuck's Service Center of Huntingdon Valley, Pa. Da Bar also beat Chuck's in the championship final by a comfortable margin to leave no doubt which team dominated the huge bracket.

For the record, Da Bar plays in the Lower Bucks Sunday League. Most of the players went to Pennsbury High School and this

Da Bar

is the only tournament they play all year."

"We're ready," replied Wachter when asked if his team is looking

forward to moving up a division next year.

Finishing third behind second-place Chucks was Deck's Quik

Lunch of Hamilton. Paddy's Place of Union was fourth, while The Krew of Mt. Laurel and Dirty Boyz Jr./Liedtka Trucking of Trenton tied for fifth.
