

Open Score Master and Click on **File**, Select **Export a Score Master Database**

This Box appears. Click on OK

This Box Appears. Change the "Save In" to save to your desktop. Name the File "Name of your Meet"

Saved in Desktop

In this instance we named the meet "Twist and Flip"

Click on Save

Database file should be on your Desktop

Attach the Database to an email and send to jimpritchard.1@gmail.com.

Many email clients such as Outlook & Outlook Express will not allow you to attach a database file. In this instance you will have to send it through a yahoo account or compress it into a zip file and send it as a zip file
