Thank you, bowlers, for supporting the “Strike Out Breast Cancer” Tournament

“Strike Out Breast Cancer!”

A Good Time for a Good Cause!

Feb. 3rd at Tiki Lanes the SEOH USBC held the 2nd annual “Strike Out Breast Cancer” Tournament. There were 204 league and non league bowlers paid \$10 to participate in a 9 Pin No Tap Tournament.

A “Chinese Auction” was held which raised \$555.00. Thanks to these local merchants for their generous donations: Tiki Lanes Pro Shop, Don’s Furniture, Discount Furniture & Mattress, Kroger’s on Memorial Dr., Lancaster Moose Lodge, Donut World and Brenda Daubemire of Longaberger Baskets. A special “Thank You” goes to Greg Russell and Tiki Lanes for donating the lineage for this tournament. The SEOH USBC Board members and volunteers deserve a **BIG** “Thank You” for working so hard on this event.

Terry Garner and Aaron Raymer of American Family Insurance Agencies held a drawing each squad for a gift card to the Olive Garden. They and their families also bowled in this event.

Before the start of each squad there was a moving ceremony honoring all of the breast cancer victims, survivors, family members and friends. A glow stick lighting was held to complete the ceremony. The glow sticks used in the lighting ceremony were donated by the Terry Garner American Family Insurance Agency.

David S. Smith, the mayor of Lancaster, was introduced. He gave a brief statement thanking all who came out to support this worthy cause. He also started the tournament by rolling the first ball. In addition to the mayor, four breast cancer survivors, who were bowling in this event were introduced and it was shared how long they had been cancer free.

This was a special tournament for me as I had to have a recheck of my own mammogram. I count my blessings that all is well. It is great to know that there are so many people who care enough to come out and support this great cause. I am extremely glad to report that over \$6300.00 was raised to be donated to the Cure. The Susan G Komen Foundation for Breast Cancer Research has been a charity that bowlers have given generously to for a number of years nationally.

Thanks again to all who participated, donated, or helped in any way to make this such a success.

Next year...How about you?
