Thanks Bowlers!

The Southeastern Ohio USBC would like to say **“Thank You!”** to everyone who helped to make the Christmas (Community Service) Project and the Bowlers to Veterans Link fund raisers so successful.

With times being hard for so many people in our community, the board decided to donate \$100 to each of the following organizations, Fairfield Industries, MRDD, FAIRFIELD CENTER for DISABILITIES AND CEREBRAL PALSY CENTER, INC. and to the Pickaway County Helping Hands for the Disabled. In addition to these monetary donations, there will be donations made of non-perishable food items to area food pantries in the months of November, December and January.

By doing this the board thought this would be the best use of the funds and help would be given to as many people as possible in our area.

The Bowlers to Veterans Link funds will be divided between the Lancaster Clinic and the Veterans Hospital in Chillicothe to help
