Grand Knight's Report:

We have a lot going on this month

Honor Guard – The Knights stand honor guard for 15 minute intervals (total 45 minute commitment – 15 minute break). Please call Bill Halaz 894-2528 to reserve your time between 9 and midnight. We need you to help honor the Eucharist.

Easter Egg Hunt – The annual Easter egg hunt will be held on Saturday April 11 at 1:00pm.at the hall. Our head bunny (John Rocchio) has volunteered to coordinate this effort. Bring the kids / grandkids so the dentist can get some business. Please arrive by 12:45.

Fundraisers Baseball – The Knights will be working the Cardinals opening day game (April 6). Dave has asked us to contact Lucy lmarty63@sbcglobal.net or 487-6175 to verify we will have the minimum of 12 workers. You must attend a training session. To find out when the sessions are available, contact Bill @ 894-2528.

Bar-B-Que: The Knights will be having a Bar-B-Que on the SFA parking lot on April 17th and 18th. Please contact Tom Wegman to schedule your time slot. If you can't work, please spread the word and come up to purchase your lunch / dinner for your family. This year we will have Pulled pork in addition to pork steaks, chicken, ribs, rib tips, brats, hot dogs and sides.

Steak and Suds – Jason is coordinating the Steak and Suds.(steak dinner with sides, beverages, and games). It will be held Saturday April 25 at 6:30. This is not a fundraiser, but a way for Knights and their families to socialize. Cost is \$13 / person, or \$25 / couple. Jason would like everyone to RSVP by 4/17. Please contact him at 323-8045 or email jasonrebholz@hotmail.com.

Meeting – Our next meeting will be Tuesday April 14 at the hall. Our new insurance agent Michael Kaestner (314) 865-1811 Michael.kaestner@kofc.org will be providing a brief overview of some of the products the Knights insurance division offers. Hope to see you there.

Nominations for our council's officers will be taken at the April meeting. Please consider running for an office.

Dirt Project Update – We have signed the contract to correct our dirt problem. Weather permitting, the contractor hopes to be completed by the end of April. We will be taking out a loan to pay the cost of the project. Therefore the fundraising we do is essential to paying the additional \$50,000 we will owe to resolve this matter.

Happy Easter – Jesus has Risen.
