Grand Knight's Report:

The Knights of Columbus Free Throw Contest was held January 18 at SFA. 49 participants enjoyed the competition. Trophies were awarded to the winners.

Thanks to the following Knights that assisted: Jason Rebholz, John Fleischmann, Scott Macke, Chris Hollander, Eric Schmitz, & Frank Moll.

Super Bowl - Special Thanks to my fellow Knights that sold or purchased super bowl squares. We raised \$750 for the council.

Valentines Dinner - Our Council will be sponsoring a Valentines Day dinner on February 14 at the hall. For \$15 per person, your choice of steak, chicken or fish as a main entrée, along with potato, vegetable, dessert and beverages will be served.

Advance reservations are required by February 8 by contacting Bill Halaz @ 894-2528. Free Babysitting will be available in the basement of the hall.

You can help by either attending the dinner or by assisting as a cook, server, or bartender. Proceeds from this dinner will go towards the dirt project. Pass the word to relatives, neighbors, and friends. Thanks for your participation.

Bartenders needed – The K of C will be bartending on Saturday February 21 from 9 am – 12 midnight at the German Soulard Festival. Contact Jason Rebholz 323-8045 to volunteer for a shift. The Knights are being paid for our service.

Fourth Degree – We have three members Dusty Mueckenthaler, Scott Macke and Bill Halaz who will be making their fourth degree on March 1. If you are interested in attending the banquet, please advise Bill Halaz by February 23.

Lent – Lent begins Wednesday February 25. Fasting, Sacrifice and Almsgiving are the themes of the liturgical season. We have all been blessed. Please consider helping your neighbor or friend by sharing your time, talent and treasure.

Dirt Project – We have received our permits from the county, and are working towards a contract for the dirt movement. We have arranged for a construction loan to help pay for this. With good weather, we expect to award the contract and begin in March.

Congratulations to Rodney Birk who celebrates his 50th year in the Knights of Columbus.
