Colleen Langell

A new season of bowling is coming up very soon. As your newly elected President, I look forward to working for all of you. I am here to serve you when the need arises.

We encourage all of you to support our local tournaments, it is one of the main things we do for the bowlers, and we would love to see the participation increase.

I will do my job to the best of my ability; bowling is my passion, and I am pleased to be able to serve as your President.

#### A Long Time Member Joins the CBW Board

By: Marian Mann

**Andrea Adamson** was born in Scotland and raised in Palermo, Sicily. Her father was an Italian prisoner of war when he met Andrea's mother. They married and relocated to Italy after WWII. The family moved to St. Louis in the United States when Andrea was 10 years old. The family moved again to San Francisco three years later.

Andrea met her future husband in Junior High School. Bill became her sweetheart in High School and they married soon after her graduation from Balboa High School. They share three sons and two granddaughters (with another grandchild due in February).

She started her employment career with Charter Airlines, as a flight attendant (stewardesses, in those days). She worked in a bank and retail after her children were born, but she seemed unfulfilled with this part of her journey. Andrea then started working at Westlake Bowl and realized very quickly that she had found her niche. She has worked the desk and

has been a Junior Director at Classic Bowl in Daly City for 17 years. Andrea has enjoyed serving as a Director for the San Francisco Women's Bowling Association/SFUSBC for 23 years, retiring this year.

Her unique talent and work experience gave her the opportunity to host fundraising activities for BVL, and Breast Cancer organizations (such as the Susan G. Koman Breast Cancer and Sisters Network Foundations) by organizing fun tournaments, hosting casino trips and holding raffles. Andrea writes articles and promotions about bowling and is a Charter Member of the CBW.

We welcome her onboard and know she will serve with diligence and humor.
