Post Reunion (22)
November 10, 2000

Dear Sayas and Colleagues,

Some more updates.

From Saya Dr. F. Ba Hli (Sydney, Australia)

Thank you for your e-mail of 3 Nov 2000 on the above subject. I am very glad to hear from you, Ko Tin Htoon and Ko Htin Paw about the first ever Grand RIT Reunion and SAYA PU ZAW PWE in which you contributed very outstandingly.

[For various reasons] we had not communicated directly with you. But now we feel that we must take this opportunity to congratulate you on your success. I also wish to add my thanks to you for adding a most memorable epilogue to my tribute to my father sent to Professor Aung Khin on 24 Sep 2000.

Also enjoyed reading your Editorial in the form of a poem with the letters SAYA PU ZAW PWE.

Sincerely

Freddy Ba Hli and Betty

Tin and Lily Win Foundation

Dear Ko Hla Min/ Ko Khin Maung Zaw,

Someone at the Reunion pointed out to me of a minor error on our foundation (Tin & Lily Win Foundation) announcement where the webmaster's note says: "The foundation has selected a candidate for the academic year 1999-2000....."

Actually, four students were awarded; three from U.S. (One each from San Diego, Houston and Dallas) and one from Bangkok, Thailand. Not that it would make any difference, but just to keep the numbers straight for the inquirers.

We are not sure if we will be able to make worthwhile awards for this year, and therefore have not invited applicants. If there are parties interested to make tax deductible contributions to this cause, we would like to invite contributions to the "Foundation". We will appreciate contributions of any amount, but would like to appoint contributors of \$1000 or more to be members of the board which will set requirements for eligibility and select candidates for awards. Donations to other causes, meeting the guidelines of the National Heritage Foundation (which our Foundation is affiliated to) may also be considered.

Could you please publish this memo as an announcement for interested parties to contact us for information to contribute to the Foundation.

Thanks,
Lily Win (Houston)
