Dear Sayas and Colleagues,

A quick update.

From Lily and Saya U Tin Win

Dear Ko Hla Min,

Thank you again sooo... very much for all your efforts. We enjoyed the Reunion thoroughly.

If appropriate, I would like to make the following request through your web site.

With all the excitement for the Reunion, I forgot to bring my camera with me on the night of the reunion dinner. (I blame myself for leaving it behind at my brother's house.)

I would like to ask friends to share a few pictures with us, especially, the ones that we, Tin Win (Mech 62) and/or Lily Khin Hta Yee (Tex 72), are in, so we could also have some memories on record. We would really, really appreciate having them.

With many thanks,

Lily Win (Khin Hta Yee) - Tex 72
