

## History behind.

The respectable ex-RIT group organized Grand Reunion in USA San Francisco. USA Organizers invited with full sponsor to either Saya U Sein Win or Saya Dr. San Tint for Saya Puzaw Pwe. U Sein Win was not willing to go abroad although Chartered Semiconductor group in Singapore tried their best to sponsor Saya for USA Saya Puzaw Pwe. At last, Dr. San Tint and Singapore sponsors had to accept Saya's reason.

Fortunately, Saya U Sein Win was to come Singapore on 23 Oct 2000 by "Liebert" company's business. More fortunate event is Saya U San Tint's will be in Singapore at 25 Oct 4pm to 26 Oct 5pm as a transit on his trip to San Francisco. Singapore team hold this opportunity to meet our respectful Sayas by URGENTLY arranging of this mini-gathering. More ice on the cake is "Deepavali holiday" fall on 26 Oct 2000.

## Special Invitation.

This was especially for electrical ex-Sayas. However, mini-gathering is for all ex-RIT student families. All Mechanical, Civil, Chemical etc. alumni are our mini-gathering targeted attendants. Please, kindly sign up at our RECORD Book.

## Lunch arrangement.
