Subject: Re: RIT Grand Reunion

Dear all,

Thank you all for your kind endeavor to enable me to join the ex-RIT Grand Reunion in US. Thank also to Ko Win Shein (84 batch Ec) for his invitation to New York. Now Leave, Passport & Visa are ok. The only thing I have to do is to apply for the two entry visas to Singapore, one for transit visa when I go to US and the other is 3 day stay in Singapore when I come back from US. US visa fee is 45+32 \$. I have already booked a round trip air ticket (Singapore Air Line) with "Columbus Travel Tours" which is owned by my ex-student Ko Min Din (86 batch Ec). Air ticket fee is 872+42(L.A.air port tax)+(10+10)(Singapore air port tax)+55(transit overnight stay at Hotel in Singapore). The flight schedule is as follows:
I will leave Yangon on 25-10-2000 (Wed) at 12:35 pm by Flight No. MI515 arrive Singapore at 16:55 hrs. and transit overnight stay at Hotel in Singapore. Next morning 26-10-2000 (Thurs) leave Singapore at 9:50 am by flight No. SQ20 and arrive Los Angeles at 12:40 hrs the same day. I choose LA as my destination because I am supposed to stay with Ko Myint Swe and Ma San San Nwe in LA. As regards to Ko Win Shein's invitation to New York, we will arrange the trip when I arrive LA. I intend to come back on 7-11-2000 (Tues) and arrive Singapore on 9-11-2000 (Thurs) and stopover there up to 12-11-2000(Sunday). That all are my tentative trip program.
As regards to Singapore visas, Ko Min Din (Columbus Tours) will try to help me but anyhow I would like to request Ko Hla Kyi to send the invitation letter as soon as possible.
Thank you very much again and I look forward seeing you all in US and Singapore.

Best Regards,
Dr. San Tint.
