

# Scotsdale Scoop

## The Scotsdale Homeowners' Association Newsletter

February, 2001

### Reclaimed Water

Finally! We now have reclaimed water flowing through our neighborhood. You can now water your yard for a fraction of the cost, and help conserve our fresh water supply. If you are interested in connecting your irrigation system to reclaimed water, you will need to call the city water department at 298-3100 to arrange a pre-application inspection.

### Christmas Light Contest

Congratulations to the winners of the Christmas light contest:

508 Orkney Street  
625 Kirkland Circle  
700 Kirkland Circle  
795 Kirkland Circle  
835 Kirkland Circle

### Beautification Award

We will be reinstating the Beautification Award, to honor homeowners who have made a big effort to improve the beauty of their home and neighborhood. Send in those nominations!

### Homeowners' Association Membership

We now have the highest membership level in several years: sixty-two homes are now members! We are glad that our neighbors are interested in maintaining the quality of our neighborhood.

### New Web Site

Our new web site address is [WWW.SCOTSDALE.ORG](http://WWW.SCOTSDALE.ORG) (only one "T"). It will contain a calendar of events, newsletter archive, and pictures.

### Yard Waste

Remember that yard waste is only picked up on Wednesdays, and should not be bagged. It can be placed in unlined garbage cans not to exceed 50 pounds. Brush can be cut to 4 foot lengths and bundled with jute twine.

### Next Meeting

The next homeowners' association meeting will be February 11, 2001 at the home of Francis Salvaterra, 780 Kirkland Circle, at 7pm.
