Dear Shaddock Estates Homeowner,

At the September 19, 2007 board meeting, the board of directors voted on and approved that privacy fencing shall be made of white P.V.C. and shall not exceed six (6) feet in height. This is a community rule that coincides with the amendment of Article V Section 9 that passed on August 8, 2007.

You can obtain an ACR (Architectural Change Request) Form on the Shaddock Estates HOA website at <http://www.shaddockestates.com> If you do not have access to the web, please request a form from one of the Architectural Committee members (Kevin Gervase or Bill Wallace) or from one of the board members (Craig O'Grady, Ty Baden, Julie Flowerdew, or Roman Whitney). All ACR forms need to be turned into the Architectural Committee.

If you have any questions, please feel free to contact the board.

Sincerely,

The Shaddock Estates Board of Directors
