Officers' Missives

Greetings Lost Moor,
I am still looking for materials for the website and newsletter. Please submit letters, artwork or articles by the posted deadline each month for publication. As I have said before, these are the Shire's materials, not mine.
Some possible topics: What is your favorite event or activity, and why? What do you wish someone had told you when you first got involved with the SCA? What would you tell a new person?
Come on folks, crank up those computers and submit something.
I will have a copy of the Directory at Moot this evening for revisions.
We have a new Web domain, courtesy of Roberto and GoDaddy. I am working on having a new site updated and online by the end of next month

YIS

Chronicler and Web minister
