Can you support SHY?

As a fledgling organisation that is totally self funded SHY is always willing to look at offers of support from interested parties.

SHY will require rehearsal spaces, venues, properties, costumes, storage space, audio and lighting equipment, training in various performance and technical skills, assistance with fundraising events, and ongoing in-kind support. If you think you might be able to assist in regards to any of these or are willing to offer other forms of assistance we would be most grateful to hear from you.

Information and Membership Application

As you may be aware we have been in the process of establishing a youth arts organisation at John Forrest Senior High School. The result is that there now exists an Incorporated Association called **SHY (Seen and Heard Youth) Incorporated.**

The intention behind this organisation is to provide additional arts opportunities for past and present students of John Forrest. In this way it serves not only as a mechanism for student participation in arts activities, but also acts as an alumni association keeping students and former students in touch in a semi-professional forum.

The intention is that **SHY** will commence its activities as a **youth theatre** group and eventually extend its scope to showcase the work of young people in the following areas:

- **Dance**
- **Drama**
- **Music**
- **Writing**
- **Poetry**
- **Media**
- **Multimedia**
- **Visual Art**
