Here are more pictures of tall nude 1970s model Lois Mitchell, 6'0", 40-26-36 (1.83 m, 101½-66-91½).
All pictures were scanned and painstakingly, lovingly restored by me.

Sultry!

The lanky grace of this woman is alluring to me, and I'm sure to most tall woman lovers.

She's in her negligée, waiting for you.

Oohh, sultry!

Imagine being embraced by those long legs during lovemaking.

Imagine she's crawling on top of you.

Adjusting the brightness settings on these pictures was not easy. I got a lot of practice with my scanner on these.

Lois is a 6'0" 40-26-36 beauty who posed for men's magazines in the 1970s. This first picture was scanned across two pages. A clone brush was used to clean it up. Not a perfect job, but it wasn't an easy fix.
[mitche16.jpg](#)

If this picture appears less clear, it's because this is an expanded restoration of a small picture.

Nice. Reserved, yet sultry.

This picture was scanned from a centerfold in Dude magazine dated January 1974. I scanned it in two pieces, reduced and joined them, and cleaned up the image with a clone brush.
