# SIERRA FLIGHT #27

## ORDER OF DAEDALIANS, INC.

*AMERICA'S PREMIER FRATERNAL ORGANIZATION OF MILITARY PILOTS*

**New officers sworn in at the January 2009 meeting. (l-r) Evans Warne Treasurer; Jim Wilson Vice Flight Captain; Dick Stultz Flight Captain; Austin Wiswell Adjutant; Jim Reifschneider Provost Marshal and Dwayne Decker Assistant Provost Marshal.**

**FLIGHT NOTES**

The speaker at the January meeting was our newly sworn in Flight Captain, **Dick Stultz**. Dick, who has 3300 hours in the F-106, reviewed the history and capabilities of the airplane. After retirement from active duty, he and a team of Aerospace Museum of California volunteers rescued an F-106 from Davis-Monthan AFB, had it transported to McClellan Park where after 18 months of restoration it is now proudly on display.

At the 19 February meeting there will be an Induction Ceremony for new members. Any member who has not been formally inducted into the Order of Daedalians should attend this meeting. Please notify the Flight Captain that you will be participating.

The By-Laws of the Flight have been amended and were available at the last meeting. A vote approving these amendments is scheduled for the February meeting.

The Flight Captain will hold a planning meeting on the 1st Thursday of each month, at his residence, starting at 1400 hours. The Executive staff and any interested members are invited.

The speaker for February is tentatively set to be the Commander of the HH-60 Blackhawk Reserve unit stationed at Mather Field. V V

**FROM THE TREASURER**

“Thank you” to all of those present at the January meeting who so generously came forward with membership dues and donations to the Scholarship Fund. Thank you so much! We would like to continue the Flight’s recent accomplishments of awarding three scholarships annually to ROTC cadets who are pursuing careers in military aviation. Our new rosters with an envelope for flight dues and voluntary donations to the Scholarship Fund will soon be distributed. Your prompt reply will be appreciated.

**SHORT FINAL**

**Hap Langstaff** is doing well at home and may be at our next meeting. You can’t keep a good Marine down.

Another member, **Ralph Flinn**, is in rehab at the Manor Care on Upland Way in Citrus Heights. He hasn’t recently attended meetings due to ill-health but is now doing well and enjoys talking “Air Force.” Call his home to determine where he is currently located. During a visit, **Evans Warne** discovered he and Ralph were stationed simultaneously at the same base in Germany, but in different units.
