JANUARY 2009

FLIGHT NOTES

A full house of members and guests enjoyed an evening of good camaraderie, food, drink and memories inspired by the music of *The 30s-40s-50s Dance Band* at the Flight's annual Christmas Party. Flight Captain elect **Dick Stultz** started the evening with the appropriate ceremonies and toasts before the dance band got the evening off to a rousing start by playing all the traditional military service songs. The party atmosphere was enhanced by the festive table decorations created by Ted and Marlene Boydston. A good time was had by all.

Flight 27 will celebrate its 40th anniversary this year. Prior to chartering a flight in Sacramento, local Daedalians traveled to San Francisco to attend meetings. We currently have 136 members. One hundred eighteen members and widows receive our flyer via snail mail and 43 via email. Two individuals, sons of former members, are on active duty.

Scholarship Chairman **Bill Campfield** reports that CSUS AFROTC Cadets **Matthew Dearborn** and **Travis Antoniono**, who were introduced at our November 2008 meeting, have received their \$1000 matching funds from the Daedalian Foundation. Cadet **Pereira** also received \$1000 from Sierra Flight in November. Earlier this past year he was the recipient of a \$2000 award from the Colonel Charles W. Getchell Memorial Scholarship Fund. We can all be proud of the strong financial support this Flight provides to the local AFROTC cadets.

The 75th Anniversary Daedalian Convention is scheduled 6 to 10 May 2009 in Seattle, hosted by Cascade Flight. If you desire an advance look at the activities planned, check out the Order of Daedalians Official Website which we have linked to our web page. National has the frequency and viability of future conventions under review.

THE TENETS OF THE ORDER OF DAEDALIANS

First: To Place Nation Above Self (Patriotism)
Second: To Be worthy of the Trust and Confidence of Fellow Daedalians (Personal Integrity and Character)

TREASURER REPORT

The generous donations by our members to the Scholarship Fund in 2008 totaled \$2451.00. This amount, plus \$216.00 from the Entertainment Book sales and \$959.00 from the raffles gave the Flight a total of \$3676.00 for Scholarships. This allowed the Flight to award three \$1000.00 AFROTC scholarships; leaving a total amount of \$676.00 in our Scholarship Fund. This amount, when subtracted from our current check book balance of \$1288.76 leaves remaining operating funds of \$612.76. You can all see how close to the limit we are functioning. It is only due to the generosity of our members that we really have done so well. Congratulations to all!

The distribution of our new roster in January will include an envelope for submitting member annual Flight dues which are due immediately upon receipt of the roster. Also, on the envelope is a request for donations to the Scholarship Fund. I am requesting that every member please promptly return your Flight dues with this envelope and be as generous as possible with your donation to the Scholarship Fund. Thank you all for your understanding of the needs of Sierra Flight.

Let the wine flow.

It must be a great story.

DNIF. Our intrepid Marine, **Hap Langstaff**, should be home from the hospital by the time you receive this flyer. He is doing well with his rehab. His wife Ruthie, says it would be just fine if you want to stop by and see him at home. Let's keep Hap and his family in our prayers.
