DIRECTIONS AND TRANSPORTATION

You can go to www.mappy.co.uk or www.mapquest.com for further directions, Below are some directions that should be of some assistance.

From the A4 to Aviano

Take the A28 exit at Portogruaro. After paying the toll, you will travel approximately 17km and exit the A28 at Cimpello, Maniago. DO NOT TAKE THE HARD RIGHT EXIT BUT RATHER THE RAMP (second) THAT LEADS TO MANIAGO. You will go up the ramp and be on an overpass heading then toward Maniago and Pordenone. Take the Exit for Pordenone, Venezia, SS13. Go halfway around the circle and follow the signs for Pordenone and Venezia.

Stay on SS13 for about 6-7 kilometers (guessing here). You will pass a McDonald's on the right. After McDonald's, you should pass through a flashing yellow light and then a functioning stop light. After this, you should pass an Esso gas station on the right. At the next stop light, a big intersection, turn right. If you made the correct turn, there will be another Esso station on the right and there should also be an AGIP station on the left.

At the first stop light you come to, turn left. The signs should point to Roveredo, Aviano, Piancavallo and CRO. The Osteria Paradiso should be on the corner turn you left.

*****Along this entire way (from A28 to Aviano) their should also be signs for the CRO. If you follow the CRO signs you will get to Aviano.*****
Turn left and head to Aviano. You will pass through Roveredo which has one stop light. You will then pass Ovvio, Dal Ben (on right), and begin seeing the flightline area on the left. There is a flashing light at a gate but it is not open to inbound car traffic. Pass this flashing light and enter the base through an underpass on the right. You should be able to see the gate on your left before entering the underpass. It is actually a cloverleaf underpass on the side you are on. Enter the gate and turn left. Follow the road around the flightline. There will be signs for the Banca, Credit Union, HAWC, etc., to turn left. Do not take this turn. Take the next left turn after you pass the bank, credit union, HAWC. Stay on this road. You will come to a stop sign. The BX, Commissary, etc., is in front of you to your right.

Tussi Hotel from Aviano

To get to Tussi's.....exit the flightline area using the same gate. Follow the sign to Aviano. You will go down the underpass and merge on to the "A-P highway." After you pass the turn for the Zona Industriale, in about 400 meters, Tussi's is on the left. Maroon/purplish signs with a stone structure.

Directions to Fontanafredda Pool

From Area 1 -

Go south and make a right turn at the Aviano Inn. Stay on this road to Castello di Aviano, pass Castello, down the hill, across the RR tracks. You will eventually come to a stop sign. BE CAREFUL!!! CROSS TRAFFIC DOES NOT STOP!!!! Cross this intersection (the flightline should have been to your left, and continue toward Vigonovo. I

In Vigonovo at the tall church, make a left turn and then another immediate left turn following the signs to Fontanafredda. After 1.8 km, you will see a big parking area on your left. The pool is the dome shaped building. Lock your car!!!

You can also go down the mountain highway and make a left turn at the first intersection for Budoia. There should also be signs pointing the way to Roveredo at this intersection as well.

After you make the left turn, cross the RR tracks and at the next big 4-way intersection, turn right. Stay on this road until you get to Vigonovo and follow the directions above to get to the pool from the stoplight in Vigonovo.
